VOLUME XXI—NUMBER 50

AUGUST 27, 1960

One of the biggest, if not the biggest, success stories of 1960 is Brenda Lee's phenomenal rise to a top spot on the disk scene. A veteran performer, although only 15 years old, the lark took a big step forward with her initial smash "Sweet Nothin's" earlier in the year, and followed-up with one of the strongest records of 1960, "I'm Sorry." The young Decca artist a few weeks ago realized one of the most cherished dreams of every recording personality when her number one waxing of "I'm Sorry" topped the million mark. Brenda is shown above with Milton Rackmil, president of Decca Records, who presented her with her first gold disk in honor of the occasion. Brenda has the added distinction of being one of the youngest recording artists ever to win a gold record. The lark's latest album, titled simply, "Brenda Lee," is currently among the nation's best sellers. Brenda is now on a tour of one nighters throughout the South and Mid-West which has kept her booked solidly thru the entire month of August. She will continue to do one-nighters until she returns to school in mid-September.

## The Cash Box Pick of the Week

"SO SAD (To Watch Good Love Go Bad)" (2:30)

[Acuff-Rose BMI—Everly]

"LUCILLE" (2:29) [Venice BMI—Penniman, Collins]

EVERLY BROS. (Warner Bros. 5163)

The stellar duo should step-out with "So Sad," another standout vehicle for the boys which puts them in their familiar, touching ballad garb. Date comes from the team's "It's Everly Time" LP. "Lucille" is a rockin' pose which includes standout guitar work. Could also move.

"I'M NOT AFRAID" (2:35)

[Acuff-Rose BMI—Bryant]

"YES SIR, THAT'S MY BABY"

(1:56)

[Bourne ASCAP—Kahn, Donaldson]

RICKY NELSON (Imperial 5685)

The teen favorite has back-to-back chart contenders. "I'm Not Afraid" is a fine, tender ballad statement which the songster delivers with conviction. "Baby," the great item from the Twenties, gets a sock-rock treatment. Keep tabs on both ends.

"JUST CALL ME (And I'll Understand)" (2:10)

[Pri-Gan BMI—Price, Logan]

"WHO COULDA' TOLD YOU (They Lied)" (2:07)

[Lloyd-Logan BMI—Price, Logan]

LLOYD PRICE (ABC-Paramount 10,139)

"Just Call Me" should be Price's next listing entry, following the still-smash status of "Question." Portion has a contagious shuffle-beat sound that's a natural for big teen acceptance. "Who" has a colorful sock-blues quality which the kids will enjoy.

"IF MY HEART COULD WRITE A LETTER" (2:18)

[Winneton BMI—Weismantel, Schell]

"JOURNEY OF LOVE" (2:32) [Winneton BMI—Smith, Lewis, Khent]

CRESTS (Coed 535)

Consistent chart songsters should do chart business once more with the pretty, soft rock-a-cha date, "If My Heart Could Write A Letter." Attractive blend is in the vein of the group's previous successes, including its current Top 100 stand, "Trouble In Paradise." Flip is a tender romantic.

"BEACHCOMBER" (2:15)

[Adaris BMI—Darin]

"AUTUMN BLUES" (2:15)

[Adaris BMI—Darin]

BOBBY DARIN (Atco 6173)

The keyboard side of Bobby Darin could make its first chart impression with either take here. Both have a "Like Young" touch: "Beachcomber" has Darin in a rhythmic light, and "Autumn Blues" is a pretty softie. Shorty Rogers heads the effective string statements. Eye both.

"BLUE HEARTACHES" (2:32)

[January BMI—Pitney]

"IT'S NOT THE END OF EVERY-

THING" (2:31)

[Three Champion BMI—Anderson]

TOMMY EDWARDS (MGM 12916)

Edwards, who gives the charts some of its most appealing entries, has two more top-drawer ballad statements. "Blue Heartaches" is an inviting, Latinish wistful and "It's Not The End Of Everything" is a revival of an old country tune. Both rate the charts.

"FIVE BROTHERS" (2:10) [Marizona BMI—Glaser]

"RIDE, COWBOY RIDE" (3:12) [Marizona BMI—Emerson]

MARTY ROBBINS (Columbia 41771)

"Five Brothers" is a strong, dramatic "western" track from Robbins new LP, "More Gunfighter Ballads & Trail Songs." Robbins tells the tale of five brothers ("three in their teens") who successfully avenge the murder of their father. Robbins has a solid follow-up to his current hit, "Is There Any Chance." Flip is a more relaxed item from the album.

PARAGONS (Musicraft 1102)

(B+) "BLUE VELVET" (2:25)

[Meridian BMI—Morris] Vocal team does a tender job on the one-time Tony Bennett hit, currently beginning a new chart career. This version can also figure in the sales pie.

(B) "WEDDING BELLS" (2:07)

[Musicraft ASCAP—Smokler, Andrews] Fella stay in the soft-beat ballad area. Appealing blend.

NINA & FREDERICK (Atco 6174)

(B) "NINE HUNDRED MILES"

(2:12) [Traditional-Arr. Nina & Frederick] P.D. folk item gets a swing-like, yet haunting rendition by the song twosome. Off-beat sound that may get big airtime.

(B) "LISTEN TO THE OCEAN"

(2:28) [Chappell ASCAP—Nina & Frederick] This soft calypsoish item also has a sound out-of-the-ordinary.

DON JACKSON (Atco 6176)

(B) "TREASURE OF LOVE"

(2:10) [Monument-Progressive BMI—Shapiro, Stallman] One of Clyde McPhatter's big ones is revived with big beat-ballad sound by the songster and rock-a-string ork. Should be making the deejay rounds.

(B) "HIGH NOON" (2:40) [Leo

Feist ASCAP—Washington, Tiomkin] Artist gets the dramatic meaning of the old Frankie Laine smash. Two fine hit revivals.

BILLIE DAWNE (Felsted 8605)

(B+) "BEGINNER'S LUCK" (2:11)

[Jeneva BMI—Lebowski, Shapiro] Thrush offers a good-natured, Latin-beat account of a gal who falls for a guy the first time she tries. Catchy sound that could do things.

(B) "I WILL WAIT" (2:20) [Jeneva

BMI—Jones] In more dramatic-teen circumstances, the performer shows a sincere ballad delivery.

MONOTONES (Hull 735)

(B) "READING THE BOOK OF

LOVE" (2:22) [Keel BMI—Patrick] Guys offer an infectious jumper, with the lead's story getting happy comments from the other songsters. Good sunny-beat blueser.

(B) "DREAM" (2:14) [Keel BMI

Smith] Inviting softie from the team. Tune is not the Johnny Mercer standard.

SINCERES (Sigma 1003)

(C+) "DO YOU REMEMBER"

[Aquinas BMI—Sinceres] Male vocalists justify their tag with a nice soft-beat ballad sound. Feature of the blend is various chant gimmicks.

(C+) "DARLING" [Aquinas BMI

—Sinceres] Brighter tempo from the group, which again sports chant bits.

STUART SISTERS (Top Rank 2059)

(B) "I'LL GET BY" (2:42) [Fred

Ahlert Cromwell ASCAP—Ahlert, Turk] Larks give a light-beat account of the oldie while the backing includes some effective sax comments. Should find a good jockey reception.

(B) "LOVE, YOU FUNNY

THING" (2:47) [Cromwell ASCAP—Ahlert, Turk] Another years-back item is pleasingly revived for the teeners.

TONY ARDEN (Decca 31139)

(B+) "NO, NO, NEVERMORE"

(3:11) [Betmar BMI—Genaro] Pro songstress gives a strong, all-out ballad warble of a pop version of the beautiful "Un Bel Di" aria from "Madame Butterfly." Might move with enough exposure.

(B) "NA VOCE, 'NA CHI-

TARRA, E 'O POCO E LUNA" (I Only Know I Love You)" (3:24) [Leeds & BIEM—Rossi, Calise, Stillman] Lots of heart again from the artist on the Italian import.

MARTY EVANS (Coral 62224)

(B) "SOMEONE ELSE'S BABY"

(2:03) [B. F. Wood ASCAP—Vandyke, Ford] A rhythmic-rock romancer that has a pro way. The teen-wise Evans vocal receives a first-rate teen-beat sound from the Henry Jerome directed rock-a-string (& chorus) set-up.

(B) "EV'RY TIME" (2:16) [Hol-

lis BMI—Lordan] Softer beat doings here as Evans nicely handles the pleasing affectionate.

SAVANNAH SMITH (End 1077)

(B) "LET IT BE" (2:30) [Sylvia

BMI—Spencer] Blues songstress gives a strong account of the emotional romantic. Heavy triplet sound in the combo-chorus accompaniment.

(B) "ANYTIME, ANYPLACE,

ANYWHERE" (3:00) [Skidmore BMI—Carroll, Glazer] Opening is a narrative which sets-up the theme of a gal who'll be around for guy "anytime, anyplace, anywhere."

TWO MORROWS (Triess 1002)

(B) "TWEEDIE BIRDIE" (2:25)

[Wing Ding BMI—Stone] As the title suggests, this outing is a sunny beat affair, and the vocalists catch its good-nature. Male chorus & combo offer nice support. Catchy cut.

(B) "FUN SONG" (2:15) [Triple-

Tone BMI—Mauros, Stone] Again, the tune tag speaks for the approach. Top Rank handles the label.

JONI GORDON (Alton 308)

(B) "THOUGHT WAVES" (2:10)

[Sheldon BMI—Ross, Dixon] Cute hopping-beat date with the lark displaying a lively style. Happy sax headlines the support.

(C+) "IN BETWEEN" (2:10)

[Draxon & Darlyne BMI—Layson, Roget] Thrush convincingly conveys the plaintive.

## The Cash Box Pick of the Week

"ALVIN FOR PRESIDENT" (2:54) [Monarch ASCAP—Bagdasarian]

"SACK TIME" (1:05) [Monarch ASCAP—Bagdasarian]

DAVID SEVILLE & CHIPMUNKS (Liberty 55277)

The novelty favorites can have one of their biggest successes in "Alvin For President," a delightfully conveyed, timely bit about Alvin's decision to run for President. While Seville and the other Chipmunks sing a happy tune, Alvin makes a campaign song out of it until all the other Chipmunks go all-out for him. "Sack Time" is a rinky-dink instrumental novelty.

"TEMPTATION" (2:52) [Robbins ASCAP—Freed, Brown]

"HOMESICK FOR NEW ENGLAND" (2:57)

[Garland ASCAP—Pettersson, Nilsson, Sigman]

ROGER WILLIAMS (Kapp 347)

The "Temptation" portion has the popular pianist in a fine swing format, a departure from his normally lush outings. His smart work is solidly aided by a hip chorus and bright brass. Could be a strong chart instrumental. "Homesick" is a pretty affair in Williams' more familiar manner.

"SAVE THE LAST DANCE FOR" (2:33) [Rumbalero-Progressive BMI—Pomus, Shuman]  
"NOBODY BUT ME" (2:34) [Rumbalero-Progressive BMI—Pomus, Shuman]

DRIFTERS (Atlantic 2071)

A take-your-pick pairing by the songsters. "Dance" is an infectious tango-rock affair, with Ben E. King, who recently left the group as lead, turning in a first-rate vocal against an excellent setting from the other vocalists and full ork. There's also a worthy sound in "Nobody," a busy, medium-beat affair with a catchy way (King is in again featured). Two for the money here.

"SWEETER AS THE DAY GOES BY" (2:25)

[Bess & Ben-Ghazi Ent. BMI—Anderson]

"MOMMY OUT DE LIGHT" (2:35)

[Sona ASCAP—Weiss, Peretti, Creatore]

MICKEY & SYLVIA (RCA Victor 7774)

Team again, the team, which had a big hit in "Love Is Strange" on Victor's now defunct Vik label, can make a chart comeback with the contagious, gospel-type item, "Sweeter As The Day Goes By." Arrangement has a Latinish feel, and twosome is backed with a colorful arrangement. Underlid is a cute calypso novelty.

"A DIFFERENT KIND OF LOVE" (2:00)

[Sheldon BMI—Wolf, Raleigh]

"GENIE" (2:17) [Northern ASCAP—Seneca, Villa]

CARL DOBKINS, JR. (Decca 31143)

Dobkins, who gave the charts "My Heart Is An Open Book" and "Exclusively Yours" awhile back, can score again with "A Different Kind Of Love," a cheerful light-beat jumper that the kids will welcome. "Genie" is a soft rock-a-cha. "Love" seems the side.

"IF I WERE A BELL" (2:41) [Frank ASCAP—Loesser]

"TEACH ME TONIGHT" (2:49) [Hub Leeds ASCAP—Cahn, De Paul]

SARAH VAUGHAN/JOE WILLIAMS/COUNT BASIE (Roulette 4273)

A first disk meeting by the lark with Williams and the Basie ork that ought to delight their fans (and, exposure-wise, the jocks). Topside is the engaging, easy-swing version of the "Guys & Dolls" favorite, "If I Were A Bell." More cozy work on the oldie, "Teach Me Tonight."

## The Cash Box Pick of the Week

"CRAZY LOVE" (2:47) [Selma Duo BMI—Brizant, Winston]  
"THERE GOES THAT TRAIN" (2:53) [Selma BMI—Hammond]  
GENIES (Warwick 573)

The songsters, who have previous chart experience, should make a solid chart comeback with "Crazy Love," a strong item about the ups-and-downs of love which the boys supply with a potent upbeat ballad sound. Ork backing has a strong, swing-rock flavor. Fine pounder in "Train." We're with "Crazy Love."

"STORY OF SUSIE" (2:10) [Owen BMI—Mize]  
"GOSSIP" (2:13) [Maverick & Chris BMI—Woods, Smith]  
BILL WOODS (Global 740)

"Story Of Susie" is a narrative-type date that has smash chart chances. In a country-styled session, Woods tells the tragic story of a girl who becomes a dope addict. Very effective date; watch it. Bottom portion is also a narrative. Del-Fi distributes the label.

DeLugg, Hilliard]

# an important message

Our times cry out for a leader!

We at Liberty Records fully realize the influence our industry has in the molding of public opinion. We have always felt the use of such great power, in a partisan manner, to be a gross violation of the sacred trust vested in us by the American public.

For this reason it has always been the consistent policy of Liberty Records, its personnel and distributors to refrain from active participation in controversial political campaigns. Everything that even hinted of partisanship has been scrupulously avoided . . . until now.

History shows us that perhaps once in a lifetime there arises a personality so unique in nature . . . one whose qualities of leadership are so dynamic, that people are disposed to throw off all restraints . . . entrenched policies . . . prior prejudices, and join with him in the inevitable process of changing the course of human events.

Yes . . . our cry for leadership has been answered.

After much soul-searching and emotional conflict, we at Liberty have decided upon a violent departure from past tradition and publicly go on record with ALVIN for President.

# Court Refuses Royalty Demands In Norbay vs. King

NEW YORK—In a decision which can have far-reaching effects on the music business, a judge has rejected the demands of payment of royalties by a record company to a publisher on the grounds that the publisher failed to file a notice of use with the U.S. Copyright Office when it licensed another diskery to record the song.

The decision—filed on July 12 by Judge Edelstein of the U.S. District Court, Southern District of N.Y.—was the result of a suit by Norbay Music (BMI) of New York against King Records of Cincinnati.

Around the latter part of September or early October of 1956, King Records and Mercury Records cut a Norbay copyright, "Slow Walk" (Mercury's Sil Austin version was the hit). Mercury received a license to cut the tune from Norbay, and began to pay royalties to the publisher.

King, however, refused to pay Norbay any royalties, claiming that Norbay forfeited its rights to royalties by failing to file the notice of use. Norbay eventually filed a notice of use on November 26, 1957. No issue was raised as to the validity of the copyright.

Judge Edelstein barred any action for royalties because of Norbay's failure to comply with Sec. 1(e) of the U.S. Copyright Act, which states, in part, that "it shall be the duty of the copyright owner, if he uses the musical composition himself for the manu-

facture of parts of instruments serving to reproduce mechanically the musical work, or licenses others to do so, to file notice thereof, accompanied by a recording fee, in the copyright office, and any failure to file such notice shall be a complete defense to any suit, action, or proceeding for any infringement of such copyright."

Judge Edelstein rejected Norbay's argument that the statute was not a complete bar to recovery. Noted Judge Edelstein: "Plaintive cites Washingtonian Publishing Co. v. Pearson (306 U.S. 30), where copies of a copyrighted work were deposited fourteen months after publication and six months after it had been infringed, to show that a late filing does not bar recovery. [Ed. Note: this case is related to copyrights as distinguished from reproduction royalty rights].

"The Supreme Court, in rejecting the contention that the right to sue for infringement was lost, read Section 13 [Ed. Note: Section reads, in part, that 'no action or proceeding shall be maintained for infringement of copyright in any work until the provisions of this title with respect to the deposit of copies and registration of such work shall have been complied with'] as not intending a forfeiture of the copyright. Use of the word 'until' in

the last sentence of the section demonstrated that the filing is merely a condition precedent to suit.

"Moreover, the Act itself, in Section 14, provides a penalty for delay. The Court found that defendant's duty not to infringe is unaffected by failure to deposit copies of a work, for the copyright is created upon publication with notice of copyright. Defendant is put upon notice when the work is published with required notice.

"The case at bar is not analogous. Section 1(e) has no language limiting the 'complete defense' it ordains. No other sanction is provided elsewhere in the Act for a failure to file the required notice. To hold that plaintiff's filing subsequent to defendant's production of phonograph records cures the bar to collection of royalties would be prejudicial to defendant... filing the notice of use after defendant has commenced production of the records can in no way serve to give the kind of public notice Congress intends."

Judge Edelstein noted that "although the statute does not specify the time within which the copyright owner must file the notice, to permit filing after the production of recordings began would be to [negate] the procedure set forth by Congress." Edelstein said that if, as Norbay contends, the reading of the Act results in unfair economic advantage to the defendant because of a "technicality" of the Copyright Act, the plea for relief must be addressed to Congress.

"The proposed revision of the Copyright Act, now under way," Judge Edelstein noted, "will undoubtedly deal with the merits of the compulsory license provision."

Jack Pearl was King's Attorney.

## Victor Inks New Songster

NEW YORK—Marco Valente, 22-year-old tenor who has been a professional singer for just six months, has been signed to an exclusive RCA Victor recording contract, it was announced last week by Steve Sholes, pop manager.

Valente's first major booking was at the Town Casino in Buffalo, New York last May where his singing so excited the label's Buffalo distributor, Jack Riehle, and club owner Harry Altman, that they insisted Sholes and Ben Rosner, of Victor, hear the vocalist. Sholes and Rosner flew to Buffalo, caught one Valente floor show, and signed him on the spot.

Valente, a husky youth with a ringing tenor voice, was encouraged in his search for a musical career by his mother and an interested priest. The priest, attached to the seminary where Valente had been studying for the priesthood, finally advised the youth to follow music because of his "magnificent" voice with which he had been gifted. After two years of study in the seminary, Valente gave up his aspirations for the priesthood and concentrated on his ambitions as a singer.

His earliest semi-professional jobs were in his home town area near Pittsburgh. He is being groomed by Victor for pop and light classical musical recordings.

## American Rank Label Given New Budget To Expand U.S. Activities; British Rank-EMI Agreement Does Not Affect U.S. Set-Up

Paul Marshall, attorney for Rank; Harold Friedman, Top Rank Director; Norman Orleck, vice president of *The Cash Box*; and Marty Ostrow, Editor-in-Chief of *The Cash Box*, surround Bernard Ness, president of the record division of *The Rank Organization Ltd.*

NEW YORK—Bernard Ness, president of the Record Division of *The Rank Organization Ltd.*, last week spoke at a press conference called by Harold Friedman, Consultant, Director of the Executive Committee of Rank Records of America, in New York to "eliminate any confusion that has been created in the United States by the transfer of our English record operation to E.M.I." in England.

"This move," Ness said, "concerns only our operation in England. Some of our English artists contracts will be absorbed by E.M.I. This matter is being negotiated at this time. All the Top Rank artists who will now record for E.M.I. will continue to be released in America on the Top Rank label. American record companies who formerly released in England on the Top Rank label will continue to do so. They will now be distributed by E.M.I. and receive the added promotional facilities of the Rank Organization to implement those of E.M.I.; a change which will enormously strengthen their position.

"Since the appointment of Harold Friedman on February 1, 1960, Rank Records of America has been streamlined, modernized, shown constant improvement and developed a highly positive 'image' as an entity of the American record scene. We are completely satisfied with our investment in the record business in the United States and look forward to a growing share of the American market."

"Rank Records of America has far exceeded the goals originally set for it and has been given additional budget for the new fiscal year to provide for increased activity in both A & R and exploitation. American artists on the Top Rank label in England now have the best distribution possible."

In Friedman's talk to the press, he stated that "last month was the best in the firm's history and this month will surpass it in both gross sales and net profit."

"Our Fall Plan and the twelve albums we issued have received a marvelous reception from our distributors. We currently have four single sides on the charts. During the last few months we hired Paul Cohen to head

our Country & Western A&R department, named Ray Meinberg National Singles Promotion Manager, signed Preston Epps and Warner Mack and released the Tommy and Jimmy Dorsey package which has been hailed as one of the most important album 'specials' of 1960. Jack Scott and the Fireballs are consistent winners with both singles and albums and we now look as though we have developed another star in Ted Taylor."

Friedman stated that he will shortly announce new additions to the artist roster that are of major stature, new plans to emphasize advertising, publicity and promotion and more independent producer deals besides those already concluded with Nevins & Kirshner, Slay & Crewe and Bud Greenspan. Friedman called E.M.I.'s English distribution, implemented by Rank promotion, a 'plus factor' in the firm's overseas sales picture.

"Just as significant to Rank Records of America," Friedman concluded, "is the powerful 'image' that we have created in such a short time. The 'image' of our company as modern, aggressive, extremely promotion-minded and creative in every phase of our A&R and production activities is firmly planted in the minds of distributors, artists, retailers and throughout every segment of the entertainment industry."

Attorney Paul Marshall, legal counsel for Rank Records of America and the Rank Records International Co-op, clarified that the labels handled by the Rank Co-op, only in England, would now be distributed through E.M.I. He described this as an asset to the Co-op.

NEW YORK—The song writing team of Lou Stallman and Sid Jacobson, currently scoring with their novelty hit, "Yogi," disclosed last week that they'll produce a completely original album for release by Laurie Records.

The album will consist of a "folk-like musical suite" performed by a folk group known as the Citizens and will be produced entirely by Stallman and Jacobson. The project is in the midst of being waxed and, according to Jacobson, is high on the list of Laurie's fall releases. Two selections from the album will be released back-to-back as a single prior to the album's release.

Other projects in the works by the team include the recording of Bobby Pedrick for a Shell release and writing and producing the new Gary Cane outing.

### Ace-Fire Suit Correction

NEW YORK—In last week's story concerning the legal hassle between Ace Records and Fire Records, it was incorrectly stated, according to Fire Attorney Warren Troob, that Ace had obtained a full injunction against the sale and distribution of the Fire hit, "There's Something On Your Mind" by Bobby Marchan.

According to Troob, the Federal District Court of N.Y. declared it would enjoin Fire from issuing the record unless Fire put-up a \$12,900 bond. Fire is in the process of putting-up that bond, Troob said.

In the suit, Ace claims it had Marchan under contract when he cut the session for Fire.

## Keene Buys "Susie" For Del-Fi Release

HOLLYWOOD—Bob Keene, president of Del-Fi Records, has purchased the Global Record, "Story of Susie," by Bill Woods, which is a narrative of a documentary nature dealing with the narcotics problem. "Susie" a country flavored tune, was produced by Kim Fowley and Gary Paxton, the hot production team who are hitting currently with "Alley Oop" and "Honest I Do."

Keene disclosed that he and R. B. Christensen, president of Global reached agreement for the national distribution deal after learning three possible covers were coming out on the record, following Global's southern California release of the controversial record.

Keene added that "although our original version of 'The Story of Susie' deals bluntly with the narcotics problem, we feel that a dramatic but honest presentation can do nothing but bring the seriousness of this grave social problem to the attention of the American public, especially the record buying teenagers." Keene mentioned he and the Del-Fi promotion staff are currently working closely with local health agencies, both state controlled and private, to gain a broader understanding of the narcotics problem. Keene has pledged to these agencies that he will confine his promotion of "The Story of Susie" to the ethics and good taste of the medical profession.

NEW YORK—Columbia songster Johnny Horton has recorded the title song from the forthcoming 20th Century Fox production, "North To Alaska." Horton will sing the ballad under the main-titles of the adventure drama which stars John Wayne, Stewart Granger, Ernie Kovacs, Fabian and European actress Capucine.

Columbia—which is releasing the deck this week—has set a big exploitation campaign involving both the film company and its field men throughout the country, and Columbia distributors, promotion and exploitation staff.

Before last year, Horton's appeal was mainly to the country field, but he entered the pop market in big way with one of 1959's biggest hits, "The Battle Of New Orleans."

**Dinning, Jones In Promo PA's**

NEW YORK—MGM Records, anxious for its artists to get into stores and meet their fans on a personal level, is scheduling a series of store appearances for its artists.

On Saturday, Aug. 27, Mark Dinning will appear in person in the record departments of Sterns Dept. Stores in New York City and Paramus, N. J. Dinning's appearances will be highlighted by his singing of his latest MGM single release, "The Lovin' Touch," before an estimated crowd of 2,000 Sterns' Teen Club members. The event is being advertised by Sterns in New York and New Jersey newspapers, via in-store displays and through direct mailings to the Teen Club members.

Last week Jimmy Jones made a similar personal appearance at the Korvette store in Watchung, N.J., and sold over 500 copies of his new MGM single, "That's When I Cried" and his album, "Good Timin'."

These appearances and forthcoming others were arranged by MGM advertising and publicity manager Sol Handwerker.

## Dealers Dig \$14.95 33 Promo, Heller Says

PHILADELPHIA—Dealers want a \$14.95 long-play phono, according to distrib Bob Heller, who last week based this conclusion on "actual conversations" with retailers.

"Let us standardize the speed with everything being seven-inch 33 records," Heller said. (In a recent survey of label execs, The Cash Box found that several thought that a low-priced 33 phono was needed to have the long-play single go over).

Heller suggested that for a "record White Xmas" each record manufacturer should come out with its own deal centered around a package containing 33 singles and a \$14.95 player, both at a suggested list price. Parents, Heller said, would be attracted to purchase this "surprise package" for their children come Xmas time.

## BIOS For Deejays

BOB NEWHART

Bob Newhart's "button down mind" might have been developing on the campus of Loyola University where he was graduated from in 1955. He is the latest of the intellectual comedians to find success with a spoken word album. His Warner Bros. album, "The Button Down Mind Of Bob Newhart," has occupied the top spot on The Cash Box album chart for over a month.

Born, raised and educated in Chicago, Bob's initial success with comedy came, naturally, in the Chicago area. Since 1957 he has performed, written and produced on many of the top midwest radio and television shows. In 1959 he had the honor of performing for the members of the Chicago chapter of the Academy of Television Arts and Sciences at the annual "Emmy" awards dinner.

Newhart considers Chicago his home base of operations, although he is in much demand at the top night clubs in the country. Keeping him busy there is his regular WBKB-TV show, plus appearances on such other top rated TV's as "Playboy Penthouse" and the Dan Sorkin show.

BOBBY VEE

An unfortunate tragedy led to the discovery of Bobby Vee, the lad who's beginning a chart ride with "Devil Or Angel" on Liberty. When a plane accident took the lives of Buddy Holly, Ritchie Valens and the Big Bopper, a call went out for local talent to fill the bill for a show scheduled for Moorhead, Minnesota. Bobby, his brother Bill Velline (the family name) and two other youngsters, who had been fooling around with music together, answered the call and proved a resounding success in their first public appearance. That was the beginning of Bobby Vee and the Shadows.

The road to fame included being "discovered" by Scott Beach of WCCO-Minneapolis, who, as musical director of the group, helped the boys polish their act. Then came an introduction to B. A. Bengtsson who booked the group into dances and hops in the 5-state area. A recording of "Suzie Baby" for a small local label began Bobby's disk career. The master was picked up by Liberty, who then recorded him in "Devil Or Angel."

## Platter Spinner Patter

ALL ABOUT DISK JOCKEYS

Once again Franklin Geltman, producer of the Randall's Island Jazz Festival, chose several top jazz disk jockeys to act as emcees of his annual fest. Presiding last weekend was Mort Fega (WEVD-NY), aided by Sid Woods (WLIB-NY), Felix Grant (WMAL-Washington, D.C.), Al Collins (WINS-NY), Chris Borgen (WNCN-FM-NY) and Symphony Sid (WADO-NY). Fega was the general host while the others assisted on the various nights of the festival. . . . Randy Hall (now Lieutenant Hall), KDKA-Pittsburgh's all night disk jockey on active duty with the Air Force for six months, has been sent to Paris to serve as an information officer there in connection with the Congo airlift. He's due to return to the Pittsburgh turntables in early October. . . . The musical clock swung back

to 1956 on WCKR-Miami when the station celebrated its 4th birthday August 11. The entire 18 hour broadcast day retained the same format but all music played was from that period in 1956 when the station debuted. (Lists courtesy of The Cash Box). . . . The Michigan Canoe Racing Association has recognized as official the record of 20 hrs. and 13½ mins. for the 100 mile trip from Flint, down the Flint and Saginaw Rivers to Bay City, set recently by disk jockeys Mike Gaylord and Johnny Nogaj of WTRX-Flint. Gaylord and Nogaj beat another WTRX team consisting of program director Skip Knight and salesman Don Wiegandt, who came in just 30 seconds later. The two day race arose out of a challenge to canoeing ability between Gaylord and Knight which was supposed to result only in a short race of a mile or so. The thing got so big that the Michigan Wing of the Civil Air Patrol supplied planes to keep people informed of the paddlers' whereabouts. . . . August 23 will be a day of festivities for Pittsburghers for KQV is planning a giant all day party as its way of saying "thanks" to its listeners. KQV jockies Dave Scott, Henry Dabecco, Johnny McKinney, Larry Aiken, Ron Roddy, Byron Zint and PD Dick Drury will host an all day record hop, show and general entertainment at Westview Park. A host of top names have been lined up to appear. With the exception of rides and food no charge is being made to those attending the event.

Larry Gar's mug again appeared in print. The WLBG-Laurens, S.C. deejay was featured in a half page spread in Song Hits mag. Larry also graced the office of The Cash Box recently when he dropped in on his annual vacation jaunt to the Big City (his home town). . . . KISN-Portland boasting of the latest Hooper which puts it in first place in the area. Not too far behind are KEX and KOIN, but after that it's no contest. . . . The second annual KXOK-St. Louis iceberg was launched at 12 noon on Monday August 1 and after five days and 36 minutes of 90-plus temperatures, at 12:36 PM Saturday August 6, not a trace was left of the twenty ton tower of hard frozen ice. KXOK program director Jack Elliott officiated at the melting ceremonies, describing the final moments of the iceberg in a broadcast from the front lawn of Radio Park. Twenty five prizes were awarded to the closest guesses as to how long the ice would last. . . . It seems that listeners to the Dick Wittinghill show (KMPC-Hollywood) either take their songs too seriously or are just ribbing the jockey. Last week Dick played a selection from the Brothers' Four new Columbia album. The song, "Blue Water Line," tells about a stretch of railroad line that's being torn down and asks for contributions to keep the line operating. To date Dick has received \$17.10 in small change from his listeners despite protestations that he doesn't need the cash. This thing could snowball into a small fortune; but we're sure some charity will eventually benefit from the money. . . . KDAV (a country music station) and KSEL (a pop station), both of Lubbock, Texas, joined hands in promoting a live package show made up of former country artists and pop stars. Two shows, presenting Brenda Lee, Johnny Preston, Bob Beckham, Gary Miles, the Hollywood Argyles and the Casuals, drew capacity crowds of over 3,000 each. Dave Stone of KDAV says that this is definite proof of the strong overlapping of country and pop music—and also demonstrates the promotional power when two stations work together. . . . WAKR-Akron, Ohio, jockey Charlie Greer held the winning name (Jay Herbert) of the 1960 PGA champion in the city-wide deejay contest sponsored by Firestone Tires to boost daily PGA ticket sales. A beautiful trophy was presented to the lucky spinner. . . . Popular Atlantic City (NJ) disk jockey Jerry Dean is keeping quite busy these days. In addition to his daily WMID show, Jerry is also doing air-work for WPAZ-Pottstown, Pa., and WILM-Wilmington, Del. Say Jerry, "I only hope I can keep all the call-letters straight." On top of all this his record hop in Boyertown, Pa. has been drawing turn-away crowds every Wednesday night.

### VITAL STATISTICS:

Ken Cornell, program director of WBEC-Pittsfield, Mass., is resigning his position effective August 26 and will return to WTLB-Utica, N.Y., where he'll be in charge of production as well as regular air time. Cornell came to WBEC nearly a year ago from WTLB. . . . The rapid growth of KEX-Portland's nighttime segment, "Program PM," has resulted in its expansion to two hours and the addition of Bill Comer to the KEX staff. Comer started in the radio business in 1936 and has done almost every type of job, even to owning his own station. Most recently Comer was at KQEN-Roseburg where he located early this year after selling his station KBCH. . . . Tom Parker announced that effective September 6 he leaves his post at KFOR-Lincoln, Nebr. for one at WOC-Davenport, Iowa. . . . Gary Price is acting program director at KFXM-San Bernardino, Calif. as Roy Cordell, the regular PD, is presently in San Diego (with his bag of carving tools) setting up the new operation at KDEO. . . . A. T. McFadden is the rhythm & blues spinner for WGOK-Mobile. He was formerly with WJAK-Jackson, Tenn.

## Hartstone Reports 100% Dealer Acceptance To London's 100% Co-op Plan

NEW YORK—Lee Hartstone, London vice president and general manager reported last week that after the first ten days of selling the London Six Star Fall Program dealers have unanimously agreed with London's concept of 100% paid dealer nonexclusive label advertising.

"Although London's Fall Program included such other new merchandising approaches as premiums and sale priced double packages, reports from the field indicate a dealer 'thank you' to London for its leadership in establishing a local cooperative advertising policy which truly is a direct selling aid to the dealer," Hartstone said. This policy, operated through and with the cooperation of London Distributors, allows the dealer to prepare for an ad at his own suggested prices and listing whatever items he chooses. London in turn, and through its distributors will participate in the dealer cost of such an ad based on the share of the ad devoted to London or London items.

## Cosnat Branch Toppers Hear Progress Report

NEW YORK—"Cosnat Buys To Sell" keynote of semi-annual meeting for all branch managers and key personnel of the Cosnat Distributing Corporation held at the Park Sheraton Hotel, Saturday, August 13. This meeting was held to set up their fall plan of operation.

Opening with a breakfast session, the eight branch managers and two district managers were welcomed by Jerry Blaine, president and chairman of the board, who reminded them of his prediction one year before as to the state of the record industry in general, and his prediction of things to come for Cosnat.

Blaine stressed distribution and merchandising in all its phases as an integral part of the Cosnat picture.

Elliot Blaine, general manager, announced that the Cosnat organization had embarked on a period of growth that would "keep all managers, salesmen and promotion people on their toes." Methods of further educating the dealer to the advantages of the D.S.B.A. (Dealer Service Buying Account) Plan was also discussed. The plan had been introduced by Cosnat seven months before, and Blaine said that "within a very short time" he expected 75% of Cosnat's dealers would be using the plan.

Volume for Cosnat for the forthcoming twelve-month period is expected to reach ten million dollars.

In the expansion program, Bennet Blaine was named national promotion manager and will oversee all promotional operations. Charles Goldberg and Charles Gray were named Eastern district manager and midwest district manager, respectively. Red Kramer and Joe Goleski are new branch managers for Newark and Detroit.

## Schlachter Leaves The Cash Box; Joins Scepter Music

NEW YORK—Marvin Schlachter has left the advertising department of The Cash Box to join Scepter Music.

Schlachter said he would be devoting most of his time to Distinguished Recordings, a classical album line which Scepter Music distributes. He is now in the process of setting up distribution and readying the first three releases. They are two albums by Paderewski and an album of Prokofiev and Busoni.

Schlachter will also be working on Scepter Records' singles, including its current releases, "Tonight's The Night" by The Shirelles and "I Need Your Love" by Rufus Beecham.

**"CABARET DAYS"** Sophie Tucker, Wing MGW-12213, \$1.98

Content: "After You've Gone," "Some of These Days," "Margie," 7 others. Cover: Color art of songstress performing in Gay '90 scene. Performance: Sophie's come up with more tracks of her club hits, this time with a "live" audience to cheer her on. Exciting for the groups looking for nostalgia and that Tucker magic. Commercial Value: Sophie Tucker has half a dozen LP's on the market and these should be your guide. This disk has actually more to offer, with the "live" applause feature.

**"MUSIC FOR LOVERS"** Nick Noble, Wing MGW-12184, \$1.98

Content: "Right Or Wrong," "I'm Through With Love," "Purple Shades," 9 others. Cover: Color shot of the vocalist. Performance: Nick delivers a brace of ballads with one swinger, "Somebody Else Is Takin' My Place," and he comes off fine on the package. Good male vocal deck. Commercial Value: Ought to attract on strength of cover and selections.

**"CHA CHA CHA AND MERENGUE"** De Denise and His Latin Orch., Enrico Super LP-104, \$2.98

Content: "Sugar and Spice," "Un Poquito De Cha-Cha," "Dasa Doble," 9 others. Cover: Bold title lettering against yellow background is offset by cheese-cake shot of Latin gal. Unusual. Performance: The Denise orchestra adheres to the authentic presentation of the Latin sound always presenting a danceable beat. Commercial Value: The Latin dance set ought to find room for this authentic sound in contrast to the standard commercial material available.

**"HOW TO GET THE MOST OUT OF YOUR STEREO"** Warner Bros. XS-1400, \$2.98

Content: Musical selections specially engineered to test stereo component parts. Cover: Wild shot of "semi-nude" gal using stethoscope and evidently finding much enjoyment from it. Super display shot. Performance: Top Warner artists perform a variety of selections with liner notes explaining the purpose behind arrangement of orchestra in regard to sounds from each speaker. The sound is excellent and should make listeners happy they bought stereo. Commercial Value: This deck could catch as a standard LP for all stereo set owners—gives 'em a chance to show off some really exciting musical sounds. The jacket won't hurt the action either.

**"ACTION STEREO!"** Harmony HS-11043, \$1.98

Content: Sound effects recorded in stereo include boat whistles, trains, ping-pong, thunder and horse race. Cover: Striking art portrays each sound visually and makes for strong display. Performance: A good stereo sound effect deck with an authentic Aqueduct horse race added to the standard ping-pong and train whistle sounds. Commercial Value: Should stand up well at the racks with much to offer the sound effect shopper.

## Time's "Series 2000" Now On 4-Track Stereo Tape

NEW YORK—Bobby Shad, president of Time Records and its affiliate firms, announced that Time last week released seven of its Series 2000 albums on 4 track stereo tape through the United Stereo Tape Corporation and through its regular disk distributors. The seven tapes include "Percussion and Guitars" by Al Caiola; "Flutes and Percussion" by Hal Mooney; "Murder, Inc." by Irving Joseph; "Voices in Song of the American Musical Theatre"; "Jazz Contemporary" featuring Kenny Dorham; "Passion of Paris"—music presented by a fifty piece orchestra under Hal Mooney, and "Percussion Espanol" by Al Caiola. Each of the tapes will list for \$7.95.

Shad also announced that he is now recording a number of new albums for the Series 2000 with such artists as George Siravo, Hugo Montenegro and Marian McPartland.

Five new LP's, which have just been released by Time include "Cole Porter in Percussion" featuring a 55 piece orchestra with arrangements by Irv Joseph; "Kurt Weill Songs" by Felicia Sanders; "Gershwin And

Guitars" featuring five guitars headed by Al Caiola; "Voice In Song And Percussion", starring fourteen singers performing Hal Mooney arrangements; and a jazz package, titled and starring "Booker Little".

Shad expects to issue five Series 2000 LP's per month each month through the end of the year. He is also recording classical records to be released in the future. Details about the Time classical line will be announced at a future date.

## ASCAP Gives U.S. License To Play Music Via Echo I

NEW YORK—Stanley Adams, president of ASCAP, has offered the United States Government a free experimental license to bounce copyrighted ASCAP music off Echo I and similar experimental communications satellites.

In a letter to Dr. T. Keith Glennan, Administrator of the National Aeronautics and Space Administration, Adams noted that news accounts of experiments with Echo I stated that scientists, warned of possible copyright complications in transmitting music via the satellite, chose instead a tape recording of a non-copyrighted work. Adams said it has always been the policy of ASCAP to make available to the Government copyrighted music for such experiments.

Recalling that the Society's repertory has always been at the service of the Nation during war and national emergencies, Adams said that the Society's 5600 composers and authors and 1500 publishers would "be proud to have their musical property used experimentally to broaden and extend an important means of mass communication."

## Boy Joins Costa Clan

## Lee Magid Pacts British Songstress

NEW YORK—Celebrating the signing of a management pact with a night out at the Latin Quarter are Lee Magid and songstress Lita Roza. Magid, manager of Della Reese among others, signed the British singer to contract involving recordings and appearances in the U.S. Miss Roza, a former vocalist with the Ted Heath orchestra, records for the Pye-Nixa label in England, where her latest album, "Me On A Carousel," is a big seller.

The two completed negotiations in New York recently where they met after Magid returned from a three week stay in London where he set up his publishing affiliate, Alexis Music Ltd., under the professional managership of Noel Rogers; and Miss Roza returned from a three month tour of Australia.

## Stereo Music Fair Set For Cleveland In Oct.

CLEVELAND—The Hi-Fi Fair, one of northeastern Ohio's most popular events for the past five years, has a brand new name and location for its fifth annual showing on Oct. 7, 8 and 9.

This year the accent will be on stereo sound and equipment. It will be called the Stereo Music Fair and will be held on the Ninth Floor of the Hotel Sheraton-Cleveland.

The Cleveland show will be the first in the nation to display the 1961 lines following the September New York Show.

The fifth annual event is co-sponsored by the Scripps-Howard Cleveland Press, The Tri-State Audio Representatives and Radio Station WDK.

Net proceeds again will be turned over to the Press Helping Hand Christmas Fund.

Les Morrow, president of Tri-State Audio Representatives, pointed out that the early showing this year will permit prospective buyers to "shop" for equipment in time for Christmas.

"As usual, there will be nothing for sale at the show", said Morrow. "We simply want to afford the public the chance to compare the various types of stereo equipment, whether it is package or component."

"Also we are planning a dramatic demonstration of stereo sound which will give the public a better understanding of what true stereo is."

The show again is under the management of Lapine Enterprises.

## Atlantic Discontinues Suit Against Triple-X

NEW YORK—Atlantic Records has discontinued its two law suits against Triple-X Records on the Bobbettes' hit deck of "I Shot Mr. Lee." Warren Troob, attorney for Triple-X, said that this discontinuance and settlement by Atlantic meant that the Bobbettes were exclusive Triple-X artists and that Triple-X would continue with the manufacture and distribution of "I Shot Mr. Lee."

Atlantic claimed that the girls cut the song for Atlantic less than five years before the Triple-X version, and, according to the contract, were forbidden to cut the song for another label within that period of time. Atlantic also alleged an infringement over its original copyright of "I Shot Mr. Lee."

It was disclosed that the copyright of "I Shot Mr. Lee" would be split between the publishing companies of Atlantic and Triple-X.

## POPULAR PICKS OF THE WEEK

**"PERTINENT PERCUSSION CHA CHA'S"—**Enoch Light and the Light Brigade—Command RS 814 SD

A hard-to-beat chart combination here. Light, the guiding "light" behind the fantastic success of Command's percussion series, is heard himself in the latest edition playing cha cha tempos—a medium he had enormous success in a short few years back. Now in superb stereo separation, the likes of "Enjoy Yourself," "Green Eyes," "Let's Fall In Love" and "Charleston" are heard to excellent "sound" advantage. Should score resoundingly.

**"AROUND MIDNIGHT"—**Julie London—Liberty LRP 3164

Not only does Julie London breathe sensuously at this hour but she manages enough energy to swing a couple too, and these prove the highlights of the session: "But Not For Me," "Lonely Night In Paris," "You And The Night And The Music." Not that her ballads aren't good, she's proven her excellence in that category many times over in previous outings, but it's a refreshing note when she bursts out in bright song. Nifty album marked by the inclusion of some top drawer material.

**"THANK HEAVEN FOR GIRLS, GIRLS, GIRLS"—**Maurice Chevalier—MGM E3835

Still trading on his "Gigi" success, Chevalier offers up a dozen cuties in his delightful suave romantic manner. He sings lovingly of "Cecilia," "Margie," "K-K-K-aty," "Sweet Lorraine" and "Madelon" in an album just glowing with inviting charm. Appropriately, the tempos are kept bright and bubbly. A happy, sunny album.

**"OUR GOLDEN FAVORITES"—**The Ames Brothers—Coral CRL 57338

An historic album for the Ames Brothers as well as the label. "Rag Mop," included in this collection, was the group's first hit, and, since they were Coral's first artists, the label's first hit. From there on out it's all pop music history: "Sentimental Me," "Blue Prelude," "Undecided," "Tumbling Tumbleweeds," "Sentimental Journey." The boys are still a major attraction on the scene.

**"THE BALLADS OF LADY JANE"—**Jane Morgan—Kapp KL-1191

The pop vocalist turns toward folk material for her latest album, turning in listenable performances of ballads "Molly Malone," "The Foggy, Foggy Dew," "Greensleeves," "I Know Where I'm Going" and "Kisses Sweeter Than Wine." Most times a guitar is lone accompaniment for her, aiding the spirit of the session. Pleasant vocal date.

**"120-THE SOUND OF A MARCHING BAND"—**The Medallion Marching Band directed by David Terry—Medallion MS-7507

Nothing like a booming, brassy marching band to bring out the depth of stereo; and Kapp's Medallion scores a triumph on this point. Dave Terry's in control of the baton and from the sound of things he waves it furiously as the band offers the high-stepping melodies of "The National Emblem March," "Washington Post March," "King Cotton" and medleys of armed forces marches and collegiate fight songs. A thunderous, thrilling stereo listening experience.

**"THE WEAVERS AT CARNEGIE HALL" Vol. 2—**Vanguard VRS-9075

This session was cut at the group's April 1, 1960 appearance at Carnegie Hall, a place which has become a must-stop on their concert tours. The enthusiasm which greeted them is evident and well deserved. They are undoubtedly the most diverse and entertaining of folk singers. Among the 18 tracks here are "On My Journey," "Sinking Of The Reuben James," "Marching To Pretoria," "Stewball" and "Good Old Bowling Green." Exciting and stimulating music.

**"JAYE P. MORGAN DOWN SOUTH"; "JAYE P. MORGAN UP NORTH"—**MGM E3867, E3830

Two handsome packages that alternately find the thrush singing the praises of the South and swinging a sophisticated song of the North. Ray Ellis has done an outstanding job of penning special arrangements for these sets, which in one way or another commemorate the Civil War (April 1861) Centennial. Up North she offers "Yankee Doodle Boy," "Chicago," "Indiana" and "Pennsylvania Polka" while her Southern exposure looks over "Dixie," "De Camptown Races," "Oh! Susanna," "Carry Me Back To Old Virginia" and a medley of Negro spirituals.

**"THE SWINGIN' EYE"—**Si Zentner and His Orchestra—Liberty LRP 3166

The Zentner band, which won The Cash Box's most promising ork award on the basis of two swinging Liberty LP's, lets no one down on this third session. Taking a poke at TV crime jazz (and sometimes it is a crime), Zentner leads the ork down the swing-strewn paths of "Lonesome Road," "There's No You," "Yes! We Have No Bananas" and "I'm Always Chasing Rainbows," is a style that can definitely stand on its own two feet without the help of a TV sherlock. If the big bands return, Zentner will be one reason.

**"SONGS OF KURT WEILL"—**Felicia Sanders—Time S/2007

The first "sound" album (from Time or other labels in this endeavor) that puts artistic value ahead of just sound. Miss Sanders sings with sensitivity and perception, and is up to the great demand these Weil songs require. Irv Joseph's arrangements are ideally lush string-oriented, and his direction never befuddles the vocalist, allowing her plenty of interpretive space on "Speak Low," "Remember That I Care," "Mon Ami, My Friend," "This Is New" and "September Song." Superb performances, superior sound, outstanding album.

**"MORE OLD SWEET SONGS"—**Frank DeVol and his Rainbow Strings—Columbia CL 1482

DeVol's second encounter with musical memorabilia. He has outfitted these old-timers with shimmering string arrangements which give them an engaging lilt. Included are "When You Were Sweet Sixteen," "Moonlight And Roses," "Paper Doll," "After The Ball," several George M. Cohan ditties; a total of 25 reasons for this delightful engagement with period pieces.

**"SKIN TIGHT"—**Marty Gold and his Orchestra—RCA Victor LSP-2230

Victor's entry into the stereo percussion sweepstakes measures up as an imaginative musical outing with enough sound adventures to stand the drum bugs on their ears. Marty Gold has balanced the sharp percussion section with good brass and woodwind ensemble work but of course it's the thump-thwack-ping tones that will conjure up the buyers. Selections include "Perdido," "Caravan," "How High The Moon" and "Jungle Drums."

**"HUGO WINTERHALTER GOES GYPSY"—**RCA Victor LSP-2167

Traditional themes and pop durables are given the added ingredient of fiery flavor with a pop accent by the talented Winterhalter pen. The ork strikes a bold, lively figure on "Hora Staccato," Brahms' "Hungarian Dance No. 5," "Golden Earrings," "Zigeuner" and "Csardas," among others. Five numbers feature an unbilled soprano who measures up to the fervor of the music. Solidly built orchestral package.

**"60 YEARS OF MUSIC AMERICA HATES BEST"—**Spike Jones—Liberty LST 7154

An obvious take-off on the famous RCA Victor LP and ad theme (right to the hilarious cover). Jones and the "band that plays for fun" sound off with liberal doses of wacky musical oddities, taking originally "odd" songs through the familiar Jones mill, making them even more uproarious. Securely fasten your seat belts and listen to arrangements of "Hut Sut Song," "Mairzy Doats," "Three Little Fishies," "Strip Polka" and other notable examples of musical Americana.

## "AXIDENTALLY ON PURPOSE"—The Axidentals—United Artists UAL 3090

A "smart" vocal group with a definite harmonic purpose in life. Material they've chosen also reflects their superior attitude—such musical mementoes as "I'll Never Say Never Again," "Let's Get Away From It All," "You Do Something To Me," "Where Or When" and "Sunday." Marion Evans' arrangements complete the swinging picture with a flavorful, modern frame. Merits considerable consideration.

## "DAVE 'BABY' CORTEZ"—Clock CLP 331

Cortez' organ playing has made many teenagers "happy." Here his infectious combo belts out a lineup of tunes which includes his past hits plus others. Some are punctuated by the youngster's healthy vocal shouts. Highly marketable teen item featuring "The Happy Organ," "Dave's Special," "Cat Nip," "The Whistling Organ" and "Ev'rybody Dance."

## "HALEY'S JUKE BOX"—Bill Haley and his Comets—Warner Bros. W 1391

Bandmaster Haley returns here to the scene of his early career—country music. And there's no doubt of the grounding he's had in this field, proving in this set to be a fully capable and authentic country balladeer. His vocal-combo offerings include "Bouquet Of Roses," "The Wild Side Of Life," "I Don't Hurt Anymore," "Singing The Blues" and "Cold, Cold Heart." Deck should endear him to popsters and country folk.

## "BONGO BONGO BONGO"—Preston Epps—Original Sound OSR-LPM 5002

Titled after the percussionist's current chart climber, the deck presents him in this and other original selections which spotlight his bongo prowess. Of course, the guitar-carried melody is also well-done, as is the sans-lyric chorus backing. Other tracks include "Bongo Rock," "Jungle Drums" and (on side two) a full 13 continuous minutes of exotica headlined by Epps' drum work. Has the teen appeal stamp.

## "JULIO JARAMILLO"—Sol-1201

Leading Latin American artist Jaramillo leads off the label's introduction of these shores. His liquid approach fits well into the character of these Latin "pop" songs, essaying them with warm sincerity and suave charm. All are sung in original Spanish. Should appeal to the Spanish-speaking market and to fans of the authentic Latin sound.

## JAZZ PICK OF THE WEEK

## "CANNONBALL ADDERLEY QUINTET IN CHICAGO"—Mercury SR 60134

This is not the same Adderley-fronted group that's riding high now on Riverside. This is actually the Miles Davis group—minus the trumpeter—when Cannonball was with it a year and a half ago. Personnel includes Coltrane, Wynton Kelly, Paul Chambers and Jimmy Cobb. They play six extended selections, each artist sharing equally the solo space. If any comparison can be made between the two groups, this is on the whole the better, though not as exciting as the present quintet. Anyway it's an excellent jazz album worthy of special attention.

## "BOOKER LITTLE"—Time S/2011

Trumpeter of the Max Roach Quintet, Little has emerged as one of the best of the younger jazz artists. In this solo date (he has an excellent rhythm section supporting) he has a chance to roam and display his growing individuality. He's a writer of note too and of the six selections, five are originals. Evident in his playing are tonal clarity, warmth, a consistent beat and hints of humor. Top tracks are "Minor Sweet," "The Grand Valse" and "Who Can I Turn To."

## "A NIGHT AT THE VANGUARD"—The Kenny Burrell Trio—Argo LP 655

A consistent rock-steady beat, soul, funk and a hearty swing attitude give Burrell a foremost position among jazz guitarists. This set was cut live at the Village Vanguard, a veritable home base for Burrell, and features him with Roy Haynes and Richard Davis in a series of striking performances which include "Will You Still Be Mine," "I'm A Fool To Want You" and "Just A-Sittin' And A-Rockin'."

## "LADYBIRD"—Lodi Carr-Laurie LLP-1007

A new jazz thrush on the scene, Miss Carr is much more jazz-oriented than most of her ilk. In her debut album she displays originality, derivative of course in several aspects, but uniquely individual as a whole. Aided unobtrusively by the Stan Free Sextet or the Jerry Segal Trio, she warms the jazz vocal fires of "The Masquerade Is Over," "When I Fall In Love," "Blue Room" and "My Ship." A distinctive new talent deserving of recognition.

## "JAZZ AT THE SHOWBOAT" Vol. 3—Charlie Byrd Trio—Offbeat OJ-3006

An oddity on the jazz scene, Byrd has attracted wide attention not only for his mode of playing—unamplified Spanish guitar, finger style—but for the results. Possessed of a natural swing with lots of sincere earthiness he plays it straight from the hip; no fancy frills or flourishes. With drums and bass assistance Byrd offers readings of a dozen diverse tunes, among which are "Gypsy In My Soul," "In a Mellotone," "How Long Has This Been Going On" and "Who Cares."

## "THE NEW SCENE OF KING CURTIS"—New Jazz 8237

King Curtis' "new scene" is jazz, which his r&b popularity has forced him to discard, disk-wise, for a few years. Teamed with a first class rhythm section—Wynton Kelly, Paul Chambers, Oliver Jackson—and a trumpeter billed as "Little Brother" (bearing amazing resemblance to Nat Adderley), Curtis proves he is much aware of what's happening. He has a determined drive, a deep feeling for the blues and good technical facility in his favor. Among the five tracks "Have You Heard?" "Willow Weep For Me" and "Little Brother Soul" are tops. A much-awaited welcome back to jazz ranks for the tenorman.

## CLASSICAL PICK OF THE WEEK

## CHOPIN, Piano Concerto No. 2 in F minor, Opus 21; Nocturne in D Flat, Opus 27, No. 2—Anne Schein with the Vienna State Opera Orchestra, Sir Eugene Goossens, conductor—Kapp 6001

Though only 20 years old, Miss Schein has a mature keyboard approach that has been likened to the masters. A sensitive interpreter of Chopin on former disks, she continues here to reveal an impassioned taste for the composer's more delicate works. Her performance of both pieces are perceptive and insightful. Another first rate recording by her.

## BACH: "Brandenburg Concerti" (complete)—Yehudi Menuhin and the Bath Festival Chamber Orchestra, Concertmaster Robert Masters—Capitol SGBR 7217

The six "Brandenburg" concertos present a challenge to the violinist and his innate artistry turns in a complete triumph. His sensitive appreciation of the works is also shared by guest soloists flautist Elaine Shaffer and harpsichordist George Malcolm and, even more importantly, conductor Masters, in whose hands rests the difficult pacing job. Each has done their most to turn out a meritorious series of performances.

## HAYDN: Symphony No. 94 in G Major ("Surprise"), Symphony No. 103 in E flat Major ("Drum Roll")—Antal Dorati conducting the Philharmonica Hungarica—Mercury SR90208

The immensely popular "Surprise" is accorded a well-balanced production in terms of pacing, spirit and melodiousness. Consequently, the "Drum Roll" performance also measures up to the exacting demands of the work. Dorati's conducting demands are rewarded with acute responsiveness by the orchestra. A stereo portrayal of two popular pieces worthy of classical recognition.

# ENGLAND

At the time of writing the industry here was still recovering from the surprise take-over by the powerful £43,000,000 Electric & Musical Industries of Rank Records Ltd. Top Rank label whose losses are estimated in some quarters to have reached £500,000 since its entry into the record business 18 months ago. As stated in last week's Cash Box, the take-over in which finance was not involved concerns only the Top Rank label in this country. Rank's American companies, Rank Records of America Inc. and Rank Records International Inc. are not affected and L. G. Wood, managing director of EMI told The Cash Box that "If we wish to take from Rank Records Inc. of America any of their own repertoire we will be permitted to release it on the Top Rank label in England and to export it to such other countries as are already available to Rank Records Ltd." During its 18 months existence the Top Rank label has enjoyed several major disk successes. The first was "The Little Drummer Boy" by Harry Belafonte while its biggest hit was undoubtedly "Only Sixteen," which not only took the label to the top of the charts but launched a new star Craig Douglas whose waxing sold over half a million copies. At the time of the take-over Top Rank were riding high with Garry Mills "Look For A Star." Commenting on the take-over, Wood had this to say: "We are very pleased to think that Top Rank should approach us to assist them in a satisfactory change-over in their policy towards the record side of their organization, thus ensuring there will be no sudden and major disruption in the distribution of Top Rank recordings either to the trade or the private customer."

Pye Records gave a party last week to celebrate the first anniversary of its low-priced 'Golden Guinea' LP series and to launch the latest special birthday releases. Topping the list is a specially recorded two-record LP album, "Down Drury Lane To Memory Lane"—featuring some of the greatest hits from memorable shows produced at the famous Drury Lane Theatre since "Rose Marie" in 1925 to the current smash "My Fair Lady" played by the 101 Strings Orchestra. As a birthday treat, Pye offers this two-disk album to the public at the "economically difficult" price of 30/—. The ten other releases have a comprehensive range including Sir Adrian Boult conducting The London Philharmonic Orchestra in Tchaikovsky's "Fifth Symphony," "Men Of The Mall" a program of regimental music of The Brigade of Guards with commands by the RSM Brittain, M.B.E. Two LP's with a continental atmosphere are Offenbach's "Gaité Parisienne" and a symphonic rendering of "Holiday In Paris." The great American composer Rudolph Friml appears on another LP "Sugar And Spice" conducting a selection of his own music. Birthday releases also include four singles by Pye's top selling artists, "Lorelei" by Lonnie Donegan, "Cinderella Jones" by Petula Clark, "Song Without End" by Edmund Hockridge and "Them There Eyes" by Emile Ford, whose first LP "New Tracks With Emile" was also released last week. On August 29, Pye will release its first major soundtrack LP, from the Columbia picture "Song Without End" which has its London premiere at the Columbia Cinema on September 5. The diskery is marketing its special birthday release of "Golden Guineas" and other records with a nation wide promotion campaign including commercial television and massive poster hoardings in fifteen major towns, customer-competitions and an all out drive by the label's complete sales force.

Commenting on his recent visit to the States, Leslie Gould, managing director of Philips Records, told The Cash Box: "The highlight of my trip was the three-day Columbia convention at the American Hotel, Miami. Without a doubt this was certainly the best convention I have ever attended in the U.S.A. The material Columbia offered proved that they deserve the title of America's No. 1 record company. An interesting point about all this material was that although it is produced by different producers in New York and the West Coast there is very little duplication of items; concentration being placed on star names and good production." Amongst the new albums shown to the delegates, all of which will be released in this country later this year backed by a major promotional campaign starting in September, Gould was particularly impressed with "Ride This Train" by Johnny Cash, a new Johnny Horton album "Johnny Horton Makes History" featuring recent hits plus new material. A Miles Davis album "Sketches of Spain" arranged and conducted by Gil Evans, "More Gun-fighter Ballads and Trail Songs" by Marty Robbins, "Johnny's Mood"—12 standards by Johnny Mathis (two more Mathis albums entitled "The Rhythms and Ballads of Broadway" featuring well-known Broadway titles are also to be released). Albums by Ray Conniff, The Ray Bryant Trio, The Norman Luboff Choir. On another album, Mahalia Jackson teams up with Percy Faith to make "The Power and The Glory" featuring twelve known hymns and a superb and unusual album for jazz addicts "Bernstein plays Brubeck plays Bernstein" with Dave Brubeck and the New York Philharmonic Orchestra conducted by Leonard Bernstein. Also jazz wise a new series "Thesaurus of Classic Jazz" compiled by John Hammond. Well known artists featured in the new classical repertoire include Isaac Stern, Bruno Walter, Leonard Bernstein, Francescatti and Eileen Farrell. Gould was most impressed by the million dollar show which closed the Convention starring Mathis, Robbins, Jackson, Faith, Cash, The Kirby Stone Four etc.

As previously announced in The Cash Box, the enterprising Palette Record Company of America to release its disks in this country. The first three releases, out on August 19, are "Here Today and Gone Tomorrow Love" backed with "Hard Times Ahead" by Janis Martin, "In The Streets of Athens" backed with "Festival a la Greca" authentic Greek recording by Makadopoulos and his Serenaders and a disk by Palette's first British contract artist, Vince Taylor (late of Parlophone) entitled "I'll Be Your Hero" backed with "Red Hot Machine." Discussions are under way to sign further British artists. The Palette London office is at 39, New Bond Street. Jack Heath and Cliff Adams (of Good Music and Thames Music) are directors. The first staff appointment goes to Roy Taylor as general promotion manager (his past experience includes juke box exploitation with Rank Records Ltd.) Taylor told The Cash Box that the company plans to confine its releases to a few carefully chosen numbers backed by hard hitting promotion ensuring maximum exploitation of the records chosen thus affording greater opportunity for building the reputation of contract artistes. It is hoped that this discriminating policy will establish the high standard of product in the minds of both record retailer and consumer. Pressing and distribution for the Palette label will be handled by the Pye Group Records.

A new publishing company has been formed Ivy Music Ltd. by established publishers Campbell Connelly in partnership with Commercial Broadcasting station Radio Luxembourg. The board of directors comprises Reg Connelly, managing director, Roy Berry, A. W. Rawlinson, F.C.A., L.M.R. Belin, Geoffrey Everitt and William Hood. Employing the immense facilities available to Radio Luxembourg for exploiting popular music, the company plans to develop an international repertoire comprising songs and compositions from Great Britain, continental countries and the U.S.A. Full scale operation is planned for September—meantime the company has "This Place Called Home" recorded on Decca by Dorothy Squires and "High Tide Low Tide" by Steve Race on Parlophone. Roy Berry told The Cash Box that he is anxious to acquire compositions from

## GERMANY

Ivo "Morgan" Robic's brother Nino has just signed a contract to record for Electrola. This was a big surprise as the Yugoslavian lads now record for two competitive firms.

Two new "Itsy Bitsy" records are in the works. Ariola has recorded the number with the Danish duo Jan and Kjeld of "Banjo Boy" fame, and Polydor has waxed the effort with Ranier Bertram.

The American born, jazz loving King of Thailand recently visited Germany and was greeted at the official government party in Bonn by jazz band leader Kurt Edelhagen. It is the first time that a jazz man has ever been invited to an official government function. The two jazz fans had a long talk over their music together. It seems that the King swings a mean clarinet.

German songstress Lys Assia has moved from Teldec to Philips and her first release there is another cover of "Paper Roses".

Polydor has taken over the Calico line and has released the Skyliner's hit version of "Pennies from Heaven." Label also released the Marilyn Monroe waxings from "Some Like it Hot" which is receiving good reaction in German kinos.

American publisher George Pincus is in Berlin visiting with his German partner, American Paul Siegel.

The Busse Publishing Company has joined forces with Universal Edition to form the new Intervox Edition with headquarters in Munich and Zurich. The firm is handling pop material although in the past, Universal was strictly a "longhair" firm.

American growler Bill Ramsey has just covered the old Fats Domino hit, "I've Been Around" for Polydor. Hank Williams' "Kaw-Liga" has been renewed in Germany by Caterina Valente for German Decca and the Rodgers & Hart standard "I Wish I Were In Love Again" is now in the works for Dorit Oliver on Fontana.

Radio Luxemburg's top jock, Camillo Felgin, who doubles as a lyric writer and singer has set his second waxing for Electrola. It's a cover of "Write Me" by Paul Hampton. Camillo hit the top ten recently with another American song, "Oh Why."

Top Teldec Teener Rex Gildo made his first appearances at the German "Record Hop" (there's only one) and introduced his new hit "Va Bene." Also there was German songstress Christa Williams who smashed with her cover of "My Happiness" and introduced her new two sided smash "Pilou-Pilou", a top hit in France, and "Coming Down With Love", the Mel Gadson hit with a German lyric.

French songstress Jacqueline Boyer has a half hour TV show in the works for Germany. She made her name here with the Eurovision top hit Tom Pillibi.

The Electrola stars are all doing their bit for charity. English teener Laurie London, German star Conny and Italian hit maker Rocco Granata are all doing shows for the youth organization which sponsors paid Xmas vacations for Berlin orphans.

Electrola makes it mighty tough to get its version of the gold record or "Oscar." The golden dog given by His Master's Voice and Electrola is awarded to an artist only if he sells 1 million copies of one tune within Germany in the space of 1 year. Electrola stars have only achieved this goal twice within the life of the firm. Fred Bertelmann picked up the first one for his "Lachende Vagabond" which was a smasheroo in America by Rusty Draper, and now Rocco Granata has hit the mark with an Italian language goody called "Marina." Lale Anderson was awarded a Silver Dog for 2 million copies of "Lily Marlene" within 20 years.

For the first time, German record artists are able to pick up a chunk of the mechanical and performance royalties on their records. A new collection agency, GVL, has been formed and will award artists monies for all public performances and mechanical rights to their tunes with the exception of movie appearances. All companies have backed the move and it looks like new cash in the bank for the local wax stars.

## ITALY

August is the month for holidays in Italy, and most of the record companies are closed. The singers and bands are touring the best night clubs on the Italian Riviera.

The recent success of Marino Marini (Durium) at the Festival of Naples was another proof of his ever increasing popularity. His personal style appeals to all, from teenagers to their grandparents. While interviewing him, he said that the organizers of the San Remo Festival wish to have him again next year, but there is the question of whether he will be able to find the time in his already over-crowded program. On the 18th of September he will be on the Palladium TV Show and then various other shows and concerts in London for six days. He will be in the film, "Ue Ue Che Femmina," which Titanus has already started preparing. The film will be dedicated to the recent festival of Naples and the lovely song, "Serenata A Margellina" will be sung by Ruggero Cori, young vocalist of the Marino Marini quartet. (The song was presented at the Festival by Ruggero Cori and Flo Sandons and won first prize). "Ue Ue Che Femmina," the other main tune of the movie, will be sung by Marino Marini himself (at the Festival the song was performed by Aurelio Fierro and Marino Marini and won second prize). He will then go on a tour of Japan and then to the United States with a concert at Carnegie Hall. He might appear on the Pat Boone and Ed Sullivan TV Shows and then will go to Las Vegas for six weeks.

Dinah Shore is expected to visit Italy this summer, coming from Scandinavia. She should take part in a musical in Rome, as reported by VCM which has just published "Dinah, Yes Indeed," an EP featuring "It All Depends On You," "Falling In Love With Love" and "Yes, Indeed."

As reported by some Italian and German newspapers, Frank Sinatra is expected to visit Italy soon, too.

Vittorio Zivelli, the only disk jockey of our only radio station, R.A.I., broadcasts on Discobolo (in which he presents a new light music record each day), the tune "Nessuno Al Mondo" (No One In The World), currently number 2, stating that the two performances by Peppino Di Capri on Carisch and Caterina Valente on Decca are equally charming. He broadcasted another hit tune, twice, although it does not appear on the chart, "Permettete Signorina" sung by the popular Nicola Arigliano, who is the best domestic talent on VCM.

Fonit published a 45 N.P. coupling, the last two compositions penned by Domenico Modugno. They are, "Olympia," written for the next Olympic Games in Rome, and "Mi Dai La Carica," which is used as a "leit Motiv" in a TV publicity film sketch (Flyn-Sec Cynar, drink) starring Domenico Modugno himself.

Mark Murphy, has a record in Italy for the first time. It is an EP with "Catch A Falling Star," "All The Way," "Venus" and "Personality," on VCM. VCM publishes the first record in Italy by the new American singer, Bobby Vee, "Isle Of Capri" and "Swinging On A Chandelier."

Larry Douglas will come to Milan to sell his new master, "The Music Of Larry Douglas In Paris," which he has already sold all over Europe.

"Il Nostro Concerto," penned and sung by Bindi is keeping the number one spot on the Italian chart. The tune was not a sudden smash, but its popularity slowly increased and currently it is a real hit in Italy. The version distributed in the United States is shorter than the original version and this disappointed the author. "Mule Skinner Blues" appears for the first time this week and many foresee that the record will be a big smash in Italy. Out of the ten records on the chart, six are of Italian production. The proportion between domestic and foreign best selling records is generally quite different. Two or three are normally Italian and the others from abroad.

### Gurtler In Demand

MILAN, ITALY—Mr. Gurtler, head of the Gurtler and Saar Record companies here, seems to be a much sought after man. On a recent visit to this city, Jamie-Guyden topper Harry Finfer disclosed interest in the extensive Gurtler Italian catalog, while Brice Somers, Mercury Records' international division director, conferred with Gurtler about Mercury expansion plans in Italy. Above, the three men are brought together by The Cash Box Italian rep Vittorio de Micheli. Left to right: Somers, Finfer, de Micheli and Gurtler.

## AUSTRALIA

At a recent meeting between members of the Australian Federation of Commercial Broadcasting Stations and the Association of Australian Record Manufacturers it was agreed that record companies should continue to reserve the right to impose reasonable broadcast restrictions on recordings imported by radio stations direct from overseas. This measure, which has already been in operation for over twelve months, was confirmed at the meeting in view of the public demand which the broadcasting of new hit material creates and the inability of record companies—in certain circumstances—to immediately meet such demand. The measure further underlines the close co-operation today existing between the federation and the association in the mutual interests of the two organizations and the entertainment industry in this country as a whole.

A surprise announcement that has caused some problems for the promoters came from an eminent medical specialist following his examination of Harry Belafonte's throat. He advised Belafonte against singing for several days with the result that the first four concerts in Melbourne have been cancelled, where he was due to open August 10 for a ten days' season.

Big news at the moment is the confirmation from the Lee Gordon office that Ricky Nelson is set for a quick trip to Australia next month. Due to time limitations, Nelson will perform only in Sydney and Melbourne. He will play Sydney on September 2 and 3, Melbourne 5 and 6, then return to Sydney on September 9 and 10. This show should prove one of the most successful box-office attractions that Gordon has ever handled. Nelson has always had a very strong following here as a result of his many top single disks over the past few years; however, it has been some time since this popular young singer had had a really big record in this country. This should not in any way affect attendances at his shows as Ricky's appeal has grown a great deal as a result of the popular TV show, "The Nelson's." He will be supported by an all-star cast yet to be finalized at the time of writing.

There looks like a battle for top honors with the song "Robot Man," which has been such a great success in England. Two versions have been released here; on the W&G label is the new Jamie Horton performance, while the Connie Francis version is released on MGM—which is one of the EMI group of labels. The song is published in this country by J. Albert & Son.

Rhett Walker, young Sydney disk-jockey with radio station 2UW, has had a tremendous response to a contest he ran among his listeners to draw their impressions of "Alley Oop," which is growing into a great hit in this area.

Currently drawing good crowds at The Forum Theatre in Sydney and The Chelsea in Melbourne is the film "Porgy and Bess." It looks set for a solid run in both cities.

Following on the tremendous nationwide success of "Tie Me Kangaroo Down Sport" by Rolf Harris, EMI has release a new Harris single on its Columbia label, it carries "The Big Black Hat" and "Lost Little Boy." Other new singles from the EMI group of labels include Anita Bryant's "In My Little Corner Of The World" on London and on Parlophone is Harry Ballard with "Finger Poppin' Time," both these numbers appear on The Cash Box Top 100 list.

A fine new Roulette album entitled "That Kind Of Woman" features that great singer Joe Williams. While Williams' appeal is limited to the jazz audience, this album should do well because of the performances of some fine standards.

Popular Jack Scott looks like notching up his third hit in a row with his new single release of the oldie "Cool Water" for Top Rank records here. Jack previously hit the big time throughout Australia with "What In The World's Come Over You" and "Burning Bridges."

### FROM HERE AND THERE.

Disk-jockey Brian Taylor from station 3UZ in Melbourne is away from the turntables through illness.

The same applies to popular young disk-jockey Arch McKirdy, who is away from the 2UW microphone in Sydney.

Brian Henderson's "Bandstand" is still one of the most popular of our several teen-styled TV shows. This program is catching a good enthusiastic audience in each state and Brian himself is proving a great asset to our live television productions.

The publishing house of Boosey & Hawkes is delighted at the prospect of "Itsy Bitsy Teenie Weenie Yellow Polka Dot Bikini"—which, even though it is released here way out of season (we are in the middle of our winter) looks like doing great business within the next few months. Strangely enough, a report has just come to hand to the effect that one of the major Sydney radio stations has slapped a broadcast ban on the record of "Itsy Bitsy Bikini."

# BENELUX

Corry Brokken, famous Dutch singer who scored with the Dutch version of the Edith Piaf chanson, "Milord," also made a German version of the song, which was recently issued, and will no doubt enlarge Corry's steadily growing international reputation. Corry, who is recording for Philips, was offered a screen test by UFA in Germany and will sing for the BBC in London and in the Olympia Theatre in Paris before long.

Bovema's Capitol-label will soon release the Tommy Sands-single "The Old Oaken Bucket" in Holland. Tommy will undoubtedly be a welcome vocal contribution to the Gramophone House single-repertoire and the record to come (flipside, "These Are The Things You Are") has every quality to become a great success. A surprising success for the Capitol-sales in Holland is the amazing popularity of Johnny Otis' "Telephone Baby," which is rapidly becoming a big hit according to the stocks at the Gramophone House at Heemstede. Another big LP-seller at this time is the George Shearing-Peggy Lee's "The Beauty And The Beat." Both artists are making a rather happy comeback, which helps the Bovema Company to maintain its interests in the jazzfield.

Henk van der Haar, A & R manager of C. N. Rood L.C. at Rijswijk, told The Cash Box that the success of Papa Bue's Viking Jazz Band, which just completed its 15-day tour of Holland, is the biggest one he knows from after the war. They traveled as heroes through Holland and almost all of their concerts were sell-outs. Papa Bue sold his 100,000th record in Holland, for which he received a golden record from van der Haar in the town of Eindhoven with a crowd of 5,000 looking on. Papa Bue pressed this record himself in the factory of C. N. Rood L. C. Hans van Zeeland of C. N. Rood L. C. said that his firm's part in the Dutch market is steadily growing. They increased their sales during the past half year with more than 40%.

Last week several foreign business relations visited Les Editions Internationales Basart at Amsterdam. Mr. Jackson of Melodisc (London) and Mr. Levy of Oriole records (London), both represented by Basart, are looking up agents in various countries. Alfred Schacht of Abernath (Hamburg), also a Basart business relation, came to Holland on his visit to London. Sal Chiantia of Leeds-Basart Music arrived for a stay of several weeks in Europe. He will visit a number of countries and together with Mr. Strengtholt of Basart, at present in Canada, will go on to Burgenstock, Switzerland, for the meeting of performing rights societies early September.

Ben Levi and P. R. Maassen, respectively managing director and A & R manager of Dureco L. C. of Amsterdam, drove 900 kilometres to meet A. Bates of Interdisc at Lugano, Switzerland. The direct result of this meeting was that Dureco will handle World Pacific, Pacific Jazz, Hi-Fi, Hi-Fi Jazz and Arvee records in Holland in future. Among the first releases will be the American hit "Big Boy Pete" by The Olympics (Arvee), Dureco L. C. also got the representation for Holland of the (Italian) Jolly records. One of the main artists from this label is singer Adriano Celentano, at present number 4 on the Italian Hit Parade.

The many requests, received from German publishers, as announced in The Cash Box of July 2nd, for the song "Bij de haven van IJmuiden" (At the harbor of IJmuiden), a Dutch publication of publisher Cor Smit Jr., managing director of Ed. Melodia, Amsterdam, have resulted in a sub-publishers' agreement with Melodie der Welt of Frankfurt a/M. The first German recording has been released on the Polydor-label under the German title "Die Mühle am Wildbach" by Erni Bieler and Rudi Hofstetter. Original versions are on Fontana by The Sorella's and on Philips by Max van Praag.

Henk Otten of Euro Music Publishers of Amsterdam is delighted to handle in Benelux the Al Hoffman and Dick Manning composition "Steady," recorded by Nat "King" Cole with Stan Kenton's Orchestra, shortly to be released there on the Capitol-label. The association of these two top-leading artists is expected to become a sensation which will rapidly enter the charts.

New on records is the Brassband of the "Oranje Nassau" mines, well known in the mining district (southern part) of Holland. Instead of the usual marches and concert works, it plays on its first Philips-record a selection of recent top-hits, i.e., "Oh Carol" and the prize winning Sam Remo song, "Romantica."

Bovema's His Master's Voice-label is holding many best sellers under its wings nowadays. Examples of good selling H.M.V.-artists are Johnny Kidd with his tremendous "Shaking All Over," the Danish teen star, Gitte and, the German idol Conny, whose records are much in demand again.

Guus Jansen Jr. of Les Editions Basart together with Mr. Ooms of Warner Bros. is putting his best efforts into the promotion of a new Warner film, "Ocean's 11" with Dean Martin, Frank Sinatra, and Sammy Davis, Jr.

Publisher Cor Smit Jr. of Amsterdam, managing director of Ed. Melodia and manager of Francis-Day music publishers, seems to have foreseen well in time the growing tendency to revive on records the many old songs which he controls the rights for in Holland. Some two years ago, he developed special exploitation for these songs from the catalogs of, among others, Francis-Day, Feldman, Robbins, Feist, Miller, Joy and Oxford. From those at present figuring on the top lists, were published anew to this purpose more than a year ago: "Always" (Sammy Turner); "Chattanooga Choo Choo" (Ernie Fields); "Chattanooga Shoe Shine Boy" (Freddie Cannon); "Down Yonder" (Johnny and the Hurricanes); "Ebb Tide" (The Platters); "Harbor Lights" (The Platters); "I Only Have Eyes For You" (The Flamingos); "Josephine" (Bill Black's Combo); "Lavender Blue" (Sammy Turner); "Paradise" (Sammy Turner); "Pennies From Heaven" (The Skyliners); "Red Sails In The Sunset" (The Platters); "Ruby" (Adam Wade); "Little Things Mean A Lot" (Joni James); "The Old Lamplighter" (The Browns); "Too Young To Go Steady" (Connie Stevens).

Bovema's many activities on behalf of the MGM-label can best be described by the eye-catching advertisement which appeared in many music papers in Holland: "MGM Studios, the Cape Canaveral of the recording industry!"

Philips has issued a new recording by the Streetorgan "The Arab," with the organ's version of "Aan de Amsterdamse grachten" (Along the canals of Amsterdam). This song, written a few years back by Pieter Goemans, one of Holland's best songwriters at present, became popular only a few months ago by the Philips recording of cabaret artist Wim Sonneveld. It seems this attractive waltz song is now the theme song of Holland's capital.

Pick of the L. C. Phonogram releases of American hit-recordings: "Itsy, Bitsy Teenie Weenie Yellow Polkadot Bikini" by Brian Hyland; "Girls, Girls, Girls" by Steve Lawrence; and "Bill Bailey, Won't You Please Come Home?" by Bobby Darin.

"Paper Roses" and "Happy Go Lucky," both Leeds-Basart copyrights for Benelux, are doing extremely well. Primavera, Brussels, has made a sub-edition for Belgium. Of "Paper Roses" there are already 5 different Dutch records: Ria Verda, Decca, Carla van Renesse and Bert Grijzen on CNR, Rina Pia on Barclay, Enny Denita on Fontana and The Vocalists on Philips.

Italian-Belgian singer Rocco Granata ("Marina") makes a tour of Scandinavia and Spain this month. After a tour through Austria, he will appear in the main European cities with Verner Müller's Riaz-Tanzorchester.

## Orfeon of Mexico Moves To U. S.

MEXICO CITY—Orfeon of Mexico, producers of the Orfeon, Dimsa and Maya label independent record manufacturers in Latin America, will begin Stateside production-distribution and sales work early in September of this year.

Rogelio Azcarraga, President of the Mexican firm, announced the appointment of Luis Adell Nadal as Manager-Director of the new affiliate, which becomes the third such venture of the expanding firm.

With Orfeon-Dimsa De Venezuela, S.A. in Caracas already in full activity and Dimsa Argentina, S.A. getting ready to launch its first release on or about September 1st, Orfeon-Dimsa Corporation completes the initial cycle of expansion.

Nadal has been connected with Orfeon for the past 12 years having held the post of National Sales Manager until recently.

Four USA distributors who had been importing the catalogue directly from Mexico: Record Sales (Los Angeles); Advance (Chicago); Krupp (El Paso) and Sound Sales (Miami); will be the first to be serviced via the USA production. Other distributors are already waiting to begin work with the line in Washington, D.C., Baltimore, San Francisco, Detroit and other major record centers.

Counting with a heavy promotional background here in Mexico, Nadal will take to his new post a series of radio, television and periodical programs to be implemented by early 1961. Most important of these is the library of over 76 video tape half hour programs produced in Mexico by the associate firm Corporation Nacional, "Premier Orfeon-Dimsa" a musical variety show with one of the highest ratings in Mexico's TV.

When asked if this was the last step in the international program, Mr. Azcarraga indicated that studies are presently being made into the

European market to determine in which of the continental capitals the next affiliate would be set up. Nadal's territory will include Canada, Puerto Rico and the Hawaii area.

Coordinating the Sales and Production of the various overseas branches will still be the responsibility of the Mexico City office where Stan Steinhilber, Director of International Markets for Discos Mexicanos now resides.

## Editorial:

# LET'S UNCOVER THIS EVIL

In recent weeks a number of communications have been received at this office advising of a clique of country and western disk jockeys who have banded together to influence the lists in the trade papers.

For some time The Cash Box statistical crew has been pulling out a batch of obvious hypes from disk jockey reports each week and filing them in the nearest waste paper basket. However, it is logical that some of these reports sift through and are tallied in with the honest reports. It is our belief that those that manage to be incorporated with our total tally are an insignificant number.

Unfortunately these complaints do not name the offending disk jockeys—and in some instances the letter writers ask us not to mention their names in any news coverage we may care to give the problem. "We must live with

these jockeys and we do not want them to retaliate against our records," is the gist of these comments. In a problem of this type it is necessary for all to cooperate in order to bring these unethical disk jockeys into the light and thereby destroy their effectiveness.

If publishers and record companies want this ring destroyed then it is unfair for them to throw the problem into the laps of the trades. It is economically unfeasible for any trade to launch an investigation to ferret out the offenders.

This matter should be brought before the attention of the Country Music Association who, with the cooperation of interested manufacturers, publishers and artists can coordinate an attack. We are certain all the trade papers will be happy to work with such a movement.

## Country Reviews

B+ VERY GOOD  
C+ FAIR

B GOOD  
C MEDIOCRE

### THE CASH BOX BULLSEYE

"I WISH I COULD FALL IN LOVE TODAY" (2:37)

[Central Songs BMI—Howard]

"I CAN'T RUN AWAY FROM MYSELF" (2:37)

[Pamper BMI—Price, Cochran]

RAY PRICE (Columbia 41767)

With Warren Smith's version of this Harlan Howard tune hitting on Liberty, Price's striking chanting of it could also come in for a fair share of the final loot. Price gives the strong country punch needed to send "Fall In Love Today" on its chart way. Flipside, "I Can't Run Away From Myself," a warm country ballad weeper, also rates careful attention.

"BLUE TEARS" (2:12)

[Jamil BMI—Miller, Andrus]

"JUKE BOX" (2:41)

[Marizona, Drake BMI—Emerson, Jones]

BOB PERRY (Top Rank 2063)

Bob Perry should soon be welcomed to chart artist ranks by way of either end of this Top Rank release. "Blue Tears" is ideal titling for the sorrow-filled top side and Perry does it tearful justice. "Juke Box" is a honky-tonk sparkler bearing melodic traces of "The Wild Side Of Life." Either/ or both are well worth the spinning effort.

Marty Robbins and Bill Woods have new releases that are skedded for two-market action—See pop reviews.

### ROSE MADDOX (Capitol 4432)

(B+) "BILLY CLINE" (2:00) [Central Songs BMI—Maddox] The thrush sings brightly of her lover. A brisk, sprightly assembled session that the gal's fans will take to quickly.

(B) "SHINING SILVER, GLEAMING GOLD" (2:19) [Central Songs BMI—Maddox, Wayne, Hodges] Rose tones down to ballad tempo for a sincere treatment of a romantic lament.

### THE GAYS (Decca 31137)

(B+) "WHEN IT'S LAMPLIGHT- IN' TIME IN THE VALLEY" (2:48) [Shapiro-Bernstein ASCAP—Lyons, Hart, Vagabonds] The old inspirational ballad is treated softly and tenderly by the vet country group. Their smooth flowing harmony resembles somewhat the Browns of late. Could be the one the Gays are looking for to break out.

(B) "BOLL WEEVIL" (2:10) [Champion BMI—Arr. Gay] Another oldie, pleasantly read, completes the coupling.

### JIMMY SMART (Allstar 7211)

(B+) "IT'S TOO LATE FOR ME" (1:53) [Yonah BMI—Smart] Songster is in fine warbling form for the sad story he tells. Good ballad side; has possibilities.

(B+) "A BROKEN DREAM" (2:15) [Yonah BMI—Smart, Forrester] An even slower ballad weeper which Jimmy sells with solid country feeling and authority. Also has potential.

### COUNTRY JOHNNY MATHIS (D 1152)

(B) "WHEN I CAME THRU TOWN" (2:18) [Glad BMI—O'Gwynn, Hollowell] The vet songster sings dejectedly of his old flame. A heartfelt lament in true country style, complete with fiddlin' backdrop. He has a faithful fandom.

(B) "ONLY TIME WILL TELL" (2:00) [Glad BMI—O'Gwynn, Hollowell] Another strong dose of weeping words from Mathis. Two good ballad slices here.

### WALKER BROTHERS (Kay-y 66785)

(B) "BEAUTIFUL BROWN EYES" (2:11) [Pickwick ASCAP—Walters] The years back country/pop hit is revived via a thumping upbeat sendoff here. Material still is good and should get some action with this version.

(B) "NINETY-SEVEN" (2:07) [Shapiro-Bernstein ASCAP—Noell, Lewey, Whitter] This is actually "The Wreck Of The Old 97" (more recently incorporated into the "M.T.A." hit by the Kingston Trio). In bright instrumental form here it's worth listening to.

### JIM EANES (Blue Ridge 510)

(B) "LADY OF SPAIN" (1:48) [Sam Fox ASCAP] The years back hit is whacked solidly home instrumental-wise by Eanes and his Shenandoah Valley Boys. They get a powerful blue-grass sound. Highlight is the banjo solo by Alan Shelton.

(B) "LONG JOURNEY HOME" (2:20) [Lonesome Pine BMI—Stewart] More infectious blue-grass offering. Here Eanes is feature in the vocal solo spotlight.

# Country Round Up

It seems we erred . . . when last week we said here that the WWVA Jamboree would shutter soon. Wires from Paul J. Miller, vice president and managing director of WWVA, and Gene Johnson, WWVA Jamboree talent director, state emphatically that the Jamboree has no such plans; in fact attendance is up 25 percent over last year. All we can say is "We're sorry!" . . . Carl Stuart (WESA-Charleroi, Pa.) long-distanced telling us about the article he wrote for the "Seller's Viewpoint" feature in Sponsor Magazine. It appears on page 76 of the August 8 issue and should be must reading for everyone concerned with country music. We just picked up our copy and will report here next week on some of the fascinating things Carl says about the selling power of country music. . . . Warren Smith, clicking with Liberty sides "I Don't Believe I'll Fall

BILL ANDERSON

Bill Anderson has not joined the Town Hall Party in Compton, Calif., as a regular member. Actually Bill was on a California tour for Steve Stebbins' Americana Corp and only appeared on the Town Hall Party as a guest. Bill wrote that Stebbins' quote, which was reprinted in our August 6 column, gave the mistaken impression that Bill had moved to the West Coast permanently. Nothing could be further from the truth. Bill returned to Nashville August 15 for a Decca recording session and on August 27 "Jubilee" appearance. From there he embarks on a tour of Florida, Mississippi, Michigan—all out of Nashville. . . . Country music scored two impressive Firsts recently: Porter Wagoner was the featured entertainer at the International Convention of the Fraternal Order of Eagles held at Miami Beach's swank Fountainbleau Hotel. The show also featured Pete Stamper, of WCKY's Renfro Valley Barn, and Goober, "the South's craziest nut." It was booked by Wagoner's manager Don Warden and met with an enthusiastic reception according to the CMA Close Up newsletter. The two firsts were: the first time the FOE used country entertainment at its convention and the first time country artists appeared at the Fountainbleau.

Further reports on the "Louisiana Hayride" closing indicate it's only taking a hiatus for the winter months and hopes it will reconvene in the spring. Re-runs will be carried on KWKH via tape. We're backing "Hayride" producer Frank Page to the hilt for the show's return early next year. . . . Bandera Topper Vi Musynski advises that Kirk Taylor appeared on the Al Benson show at the Regal Theatre the week of August 19. Kirk's current deck is "From Out Of This World" on Bandera. . . . Barbara McCool, Roy Drusky fan club prexy, was honored with a surprise birthday party couple of weeks ago. In attendance was Hawkshaw Hawkins, Jean Shepard and Grant Turner, Prince Albert "Grand Ole Opry" announcer. . . . Mike Oatman, program director and host of Ole Mike's Morning Show on KHEY-El Paso, in with the news that his station is now featuring a "Pick of the Country" each week. The KHEY-Hit Paraders, which is how Mike refers to his staff, decide on the best country disk each week and give it extensive plays. Then on Mike's Saturday AM show, the "pick" artist is called for a person-to-person on-the-air interview. To do this, though, Mike needs all the latest releases as well as where artists can be located if they're chosen. . . . # **Good Public Relations Can Be Profitable, Too!**

Much has been said about Public Relations in the coin machine industry and too often it is said in conjunction with getting the public to like you. Most people enjoy being liked but they won't go to extremes, at least not financially, to achieve this status. They will, however, invest money if there is the possibility of a reasonable return from their investment. And here is where Public Relations can fit into the picture—as a means of eventually leading to greater income. Now everyone should be interested!

Education is probably the prime requisite for prosperity, be it within the confines of a nation or an industry with a product to sell. As a matter of fact, most advertising is just that—educational to the point of acquainting the public with a product. The coin machine industry can educate the American public just as any industry can, and does, through Public Relations. Photographs and news stories of leading people in the coin industry and products of the coin industry appearing regularly in the news press will eventually create an impression of familiarity through this educational process. Any information that can be presented to the public, that is designed to create this favorable image, will in time do just that.

While this is an achievement in itself, it is not the end result of a Public Relations program. The effect of this favorable impression on the industry's product, namely the phonograph or amusement machine, will follow with increased activity and increased profits the final result—because of the fact that the public now will not only accept you and your product but they will actually enjoy doing business with you through your machines. It works with other industries—it will work with the coin industry.

Any PR program, if it enjoys a minimum amount of success, will achieve these things—education of the public and a greater amount of income for the business generated through this interest. The problem is not instituting a PR program of minimum size. This has been done with success in many sections of the country. There must be support of a PR program of broad enough proportions to accomplish this goal. It takes genuine support from all in the industry—locally, everyone in the city, nationally—everyone in the nation. Then and only then, will a PR program begin to educate an uninformed public to the point where interest is created. Once this interest is stimulated the entire industry can look for increased business. It is a matter of record.

# 14th Annual NAMA Convention To Cover Wide Range Of Vend Functions

## View Show As Strong Attraction For Coinmen With Cigs And Mchdse. Machines

CHICAGO—NAMA officials announced that the 14th Annual National Automatic Merchandising Association Convention, scheduled to be held at the Miami Beach Convention Hall from October 29 through November 1, will cover the full range of operation, management, food service, financing and sales under the theme, "Men, Management and Money."

Twelve workshops and clinics will cover a wide range of vending functions, from candy and cigarette vending to "Production, Packaging and Sanitary Control of Perishable Foods." Most workshops have been scheduled to take place in the evening, advised NAMA officials.

Coin machine industry representatives were expected to turn out in stronger numbers this year after a record attendance by phonograph and games operators last year. The extensive diversification programs underway within many operations have

embraced cigarette and merchandise machines and the ultimate end is vending on a larger scale.

Phonograph and games manufacturers with vending lines, will of course, exhibit vending equipment at the show with AMI, Inc., Bally Manufacturing Co., J. H. Keeney & Co., Inc., Rock-Ola Manufacturing Corporation, The Seeburg Corporation, and Williams Electronic Manufacturing Corporation, being represented by the parent organization or its vending subsidiary.

NAMA meetings will be held at the Fountainebleau Hotel while the exhibits will remain at Convention Hall.

Music Operator of America officials previously advised that its board meeting has been scheduled to take place during the NAMA Convention dates in order that the board members, many of whom are interested in vending, may attend the scheduled meets, simultaneously.

## Seeburg, Davis, Columbia, Sponsor \$100,000 Exhibit At N.Y. State Fair

SYRACUSE, N.Y.—The 1960 New York State Fair, scheduled to be held here from September 2nd thru 10th, will feature a juke box exhibit built around the evolution of the phonograph, from Edison's first cylinder to the stereophonic high fidelity phonographs familiar to the public today. The \$100,000 exhibit, based on the theme, "From Tin Foil To Stereo," recently published text outlining the history of the music industry, will be jointly sponsored by The Seeburg Corporation; Davis Distributing Corporation, local Seeburg distributor; Columbia Records and Bertrand's, Inc., in cooperation with the Musical Museum at Deansboro and the Edison National Monument of Orange, New Jersey. The exhibit will remain on display throughout the nine-day Fair. Admission to the exhibit is free.

Pictured above is the latest model phonograph displayed in the exhibit, the Seeburg Model "Q" phonograph,

with, from left to right, Albert Wertheimer, president of Davis Distributing; Charles Schoeneck, majority leader of the New York State Assembly; William Beckett, Seeburg sales engineer; and Henry Wertheimer, Davis divisional sales manager. The photo was taken during a press preview held last week.

Included in the exhibit will be: Regina Hexaphone, 1906; Edison Electric, 1898; Mills Violino, Virtuoso; Seeburg Orchestrion, 1916; Gable Entertainer, 1908; Peerless Piano, 1904; Mills; Seeburg Orchestrion, 1916; Regina Automatic; Regina disc; Music Box, #23; Music Box, #22; Table Model Graphophone, 1896; Replica of the 1st Edison Tinfoil Phonograph, 1877; Concert Graphophone Grand, 1898; Berliner, 1898; Model A Victor, 1901; First Stereo with 33 1/3 RPM, 1960; First Hi Fi, 1953; First 45 RPM, 1950; Symphonola, 24 selections, 78 RPM one side only.

# Seeburg Factory and Distribs Center Activity On "Artist Of Week" Program

## Report Greater Collections Due To 'Selectivity, Product, Adult Market' Theme With 33 1/3 Disk

NEW YORK—Prime topic of interest at the Seeburg plant last week centered around the current "Artist of the Week" program with the factory inviting operators from the midwest into the plant, many arriving by chartered bus, airplane and automobiles, to witness sales presentations on the firm's number one promotion, 33-1/3 rpm singles programming.

The manufacturer conducted the presentations in conjunction with Seeburg distributors across the nation.

Arnold Silverman, sales promotion manager, arrived in New York after a tour of the country spending several weeks on the West coast with R. F. Jones in San Francisco, and the factory branch outlet in Los Angeles, reporting strong favorable acceptance in these areas. "Collections have been fantastic," stated Silverman, confirming the reports with notarized collection sheets from individual operators showing marked increases. Most increases showed a 1/3 greater collection total with a strong demand for the 7" stereo single packages. "The demand for the 33 1/3 record packages has been almost unbelievable," continued Silverman, "and it won't hurt the artists or record firms either. Many artists are receiving more play and greater demand than ever before. Actually, they never received juke box exposure before. These are the disks the juke box patron wants to hear. We're accomplishing what we set out to do. Namely, give the patron what he wants in order that he may spend money to hear it. Before the LP selections were available most of the selections on any phonograph were actually programmed with the teenager in mind. This doesn't help business in the tavern where the kids aren't permitted."

Silverman has been calling on operators in his travels, explaining the "Artist of the Week" principle—selectivity, product, and the "adult" market. "Operators never had the opportunity to program with such broad selectivity. Names such as Pete Fountain, Frank Sinatra, Ella Fitzgerald and many of the jazz greats we have packaged for Seeburg phonos are getting wonderful play. Kitty Wells is one of the artists getting more play in the San Diego area, for instance, than ever before. Country music is coming into its own on the phonos in these areas, too," stated Silverman.

Seeburg distributors across the country have either staged formal dinner presentations or intend to do so and the factory has pitched in with the meetings scheduled within the confines of the plant, as mentioned earlier. Last week operators from the Indiana area (The Cash Box, August

20) were brought in via chartered bus and treated to a cook's tour of the plant by president Delbert Coleman, Jack Gordon, v.p. in charge of phonos and Tom Herrick, v.p. The tour was followed by an "Artist of the Week" presentation which embraced the merchandising program, the records available, and the advantages of the 33 1/3 rpm-45 rpm programming features of the Model "Q."

Silverman also added that "earphone" activity is increasing and the novelty of it has also increased collections in many locations.

"We set up the earphones to enable a patron in the location to hear the separation of stereo in its most advantageous setting. The sound is almost unbelievable when you first listen and the novelty has attracted more and more to the earphones. I've just left several locations in the L.A. area that will install a jack box at the bar to permit plugging in on multiple sets of earphones to enable more than one patron to listen and also to serve patrons at the far ends of the bar in taverns while they remain seated. This in itself causes increased activity on the machine."

The Seeburg 33 1/3 disk availability was broadened last week when London released, in 7" single 33 1/3 rpm disk packages, a new Ted Heath and Mantovani LP. Columbia released the new Dave Brubeck and Miles Davis LP's while Argo followed with the Ahmad Jamal and Ramsey Lewis albums, done up in packages of five 7" 33 1/3 rpm singles. The Latin craze is being served with two popular LP's, Los Tios Panchos and La Cincos La Tinos on the Columbia labels, said Silverman. "The honkey-tonk fans will be able to listen to 'Knuckles O'Toole' on the Grand Award label, which is also available this week," concluded Silverman. Dana Records will release polka material within one month's time.

Silverman is also setting up one-stop record operations in Seeburg distributor showrooms. "The distributor sells everything but the records," stated Silverman, "and there's no reason why he shouldn't be able to add record sales to his equipment profits."

Silverman, experienced in the record field having been employed by Mercury Records for seven years after which he managed the Philadelphia Seeburg one-stop outlet, sets up the initial installation and works with the distributor until the record sales work efficiently from the showroom site.

The Seeburg sales exec will spend the next week in the Canadian territory calling on Seeburg outlets in Montreal, Toronto and Vancouver, with operator stops scheduled along the way.

## N. Y. S. Ops Guild Joins Coin Council

### Pledge 100% Individual Operator Support As Well

POUGHKEEPSIE, N.Y.—The New York State Operators Guild held its monthly meeting at the Nelson House here on Wednesday evening, August 18, and reported the usual strong turnout with representatives from phonograph wholesale firms and a representative from the Blue Cross Hospitalization Program attending.

The main issue of the evening's meeting was a discussion of the Coin-Machine Council, nationwide public relations organization with headquarters in Chicago. After a brief outline of the PR Committee's work and the urgent need for this type program it was voted unanimously to file membership in the name of the New York State Operators Guild thereby supporting the Council with a \$50.00 participating membership fee. Jack Wilson, president of the Guild advised individual members to file separate applications with a \$5.00 or \$10.00 check thereby pledging 100% support of the C-MC. Wilson stressed the importance of the Council and asked every member to support the PR cause.

The meeting was held in conjunction with a roast chicken dinner and among those present were the following coinmen: Jack Wilson, Tom Greco, Mike Mulqueen, Joe Reich, Nick Nuccitelli, Nick and Mike Kurych, Ed Rockwell, Ed Solomon, Mac Douglas, Lester Smith, Gertrude Browne, R. Gregory, and Lou Werner. The Blue Cross representative was a Mr. Houlihan from this area.

Distributor representatives in attendance were as follows: Bob Catlin, Bilotta Distributing Company; Gordon Howard, Atlantic New York Corporation; and Frank Greco, Greco Bros. Amusement Company.

The Upstate operator organization earlier this year recorded a 100% membership in the local New York Public Relations Committee of the N.Y.S. C.M.A.

## Chi Coin Ships "Duke" and "Duchess" Big Ball Bowlers Feature Marquee Canopy

CHICAGO—Sam Wolberg, president of Chicago Dynamic Industries, Incorporated, this city, announced the release last week of Chicago Coin's new, two big ball bowlers, "Duchess" and "Duke." He said they represent "true nobility in the realm of coin-operated bowling amusement games, simply loaded with exciting, new features."

The new "theater marquee" hood just above the pin assembly, back of the playfield and the huge backglass are covered in front by sturdy plexiglass. The cabinet—playfield and backglass—is constructed of bleached wood, with an ultra modern lime color finish.

Chicago Coin's Mort Secore was lavish in his praise of the "Duke" and "Duchess" bowlers when he declared: "Chicago Coin's distributors can really kick off the new Fall selling season with two great winners."

"Before explaining the scoring features and the different types of games," Secore stated, "we should advise that Chicago Coin's revolutionary ball lift, now being introduced, is second to none in efficiency. It is motivated by a new type 1/4 horsepower motor with no gears. It assures the operator of long, trouble free operation. There also is an insulated playfield and a rubberized ball return apparatus."

Other features certain to create greater interest—and many more sales, according to Secore, include the pin indicator, very much like the pin indicator found in regular bowling alleys.

"In other words," Secore said, "pins remaining standing on the playfield after the first ball rolls down the alley and strikes the pins, are indicated on the triangle at top center of the backglass. Another exciting feature sure to please players is the "fly-away" pins feature. In this operation as the pins are struck the pins fly away on the playfield, simulating the effect experienced in a regular bowling game."

The "Duchess" bowler features "Regulation," "All-Strike" and "Flash-O-Matic" bowling. "Regulation" consists of regulation ABC bowling with the high score of 300 points.

SAMUEL WOLBERG

"All-Strike" bowling is similar to "Jackpot Bowling" as viewed on television. In this thrilling game only strikes count. "Flash-O-Matic" is high score bowling, featuring the traveling light (flashing) across the "theater marquee" canopy light box. When the player makes contact with the pins the light flashes across the potential score. When the ball hits the pins the player gets whatever score is indicated on the hood at that precise time. Strikes and/or spares are valued at the value of the numbers flashed across the hood.

Secore particularly pointed out that the coin slot is adjustable for 10¢ play or 2 for 25¢ play (optional by the operator by simply moving a jack in the coin mechanism). It also has an all-metal metered cash box.

"Duke" is identical in every way to the "Duchess" bowler with the one big exception that it features only the "Regulation" and "All-Strike" bowling games.

Secore advised that a full schedule in production is assured to keep shipments of "Duke" and "Duchess" rolling out to ChiCoin's distributors everywhere. All indications are that there will not be the slightest delay in delivery at this time. Samples were rushed to Chicago Coin's distributors last week, according to Secore.

## EASTERN FLASHES

Distrib plans for the Fall are making themselves known with several all-out promotional efforts being put into the final stages as Labor Day approaches. Whether or not it has been a good or bad summer is almost anyone's guess and depends on who you speak with. Some ops are jubilant over the business done this summer at neighborhood spots while other coinmen decry the lack of attention given the equipment on location. One thing is sure—arcade ops have enjoyed another solid season with reports showing record crowds and collections right from early spring until now, and Labor Day should prove no exception to this summer rule. Music and games ideas are being put into action with the goal greater collections for the fall. Actually, business from most reports, has suffered this year with almost as many reasons for this as there are operators. One alibi we couldn't figure was the blame an op placed squarely on the shoulders of the Long Island Railroad and its three week strike. The coinman's route is up in the Bronx!

Arnold Silverman, Philly's Joe Silverman's son, is touring the Eastern seaboard for Seeburg spreading the "Artist of the Week" gospel and doing a bang-up job. Arnold also aids distrib in opening one-stop record outlets in conjunction with their equipment sales. "They sell everything else—why not records?", states Arnold. Silverman had some glowing collection reports to show from ops switching to the 33 1/3 package deal.

Sylvia and Dave Lowy, MJL Operating, are settling down in their new showrooms at 652 Tenth Ave. after running into some trouble moving. Had a small flood the week they planned to move and things got a little damp. Everything's straightened out tho, and they look forward to a nice long sales run at the new shop. . . . Doc Shapiro, L.I. op, happy over his son's progress training riding horses out at Brookville. Meanwhile, business seems fine as usual with the renowned "Doctor." . . . Business at Runyon Sales, this 23rd year in the industry, appeared to be as good as could be expected, especially with the attention caused by the appearance of AMI's new "Continental" and "Lyric" phonos, the jukes styled "with tomorrow in mind." Perry Lowengrub, ace music salesman, advised that as we called on the firm, four units were being shipped to another "pleased" operator. "The greatest thing for summer dol-drumms since a cold drink," stated Perry. Morris Rood was away but we were told that from this day forward he is to be known as the "Maplewood Kisser," after performing at a Brookside, N.J. masquerade party and copping first prize! Ask Morris about his costume! Myron Sugerman reports a sudden surge of export business while "Shugy" remains calm—after 23 years of all kinds of surges, wouldn't you be calm?! Irv "Kempy" Kempner, interesting several ops in the Irving Kaye 6-pocket pool table as we arrived and from all indications the machine was sold before we left. . . . Mrs. Gertrude Browne, perennial visitor from upstate to the coinrow area, nods hello to us as she picks up her parts and supplies to keep her route in the black. . . . Mike and Rose Munves take time out to discuss vacations of past years after returning from a short one at Swan Lake, N.Y. Joe Munves is keeping the "Champ Grip-Test" units rolling as well as the catalogs moving out to names and addresses from all over the world. "Business this year has been just great," comments Mike.

Irving Holzman, Black Sales, happy over the shipment of the "Bowl-O-Rama" sample from the United plant and expects a continuing good business on the same firm's "Sunny" shuffle alley. As far as the current "King of Games" contest idea is concerned, Irving mentioned, "I am in favor of anything that will increase business on location—since this contest evidently is designed to do just that. I am 100% in favor of it and have advised the Craig-Todd contest execs of this." Irv had just returned from another trip to Chi after a short stay over in Miami two weeks ago. He keeps on the go and will listen to anything that sounds as if it's good for the business. "Whitey" Druckman off on a trip to Wash., D.C. (to say goodbye to Ike) after spending several days at home at the start of his vacation. The Druckman Family will see the sights in the political town. Meanwhile Lou Druckman, just back from his vacation, clears away 28 feet of floor space "to make room for the 'Bowl-O-Rama.' We'll display it as soon as it arrives." . . . The Albert Simon staff advises us that Al Simon is away from the office and also that Al D'Inzillo is off on his vacation which will probably be spent on the road with the family touring the sights in the U.S. . . . Jack Semel, a real "vet" what is a vet!, passes by and takes time out to relate a tale of the early '30s to a much interested group. . . . Abe Lipsky, Libra Distribs, keeps the Wurlitzer home fires burning with regular shipments of new "2400" phonos while Harry Koepfel reports on brother Hymie's state of mind and body out in Arizona. "He's in the arcade business and from all indications it's agreeing with him!" . . . Meyer Parkoff, Atlantic NY Corp. planning a heavy-hitting sales campaign to start just at the Labor Day mark. Biggest attraction at the Seeburg showrooms, and we are sure this is the case around the nation, is the "Artist of the Week" program with 33 1/3 rpm getting mucho attention. Meyer is quite busy with ops who haven't had the time to stop by in recent weeks to hear about the new merchandising program. The parts and supplies staff advised us that the minute 50 copies of Frank Sinatra's latest LP "Nice 'N Easy" arrived they went out, in 7" single packages, and the staff awaits delivery on another batch! . . . Nash Gordon, MONY secretary working diligently on the annual affair which must be attended to now, lest there be no affair come next November. Lots of planning and paper work before the actual event and Nash has his hands full with detail.

## CHICAGO CHATTER

The Summer season is fast waning and coinbiz now looks to the Fall season sans the proverbial crystal ball, but with head high, judging from the interesting amusement games being shown for Fall viewing. This week Chicago Dynamic Industries carts out its "handsome twins"—the "Duchess" and "Duke" big ball, long alley bowlers. Chicago Coin's Mort Secore informs us that samples of the "royalty of the coin-operated bowling realm" are being shipped to ChiCoin's distributors this week. Both games feature the new Chicago Coin innovation, the flashing "Theater Marquee" canopy and T.P.A. (Tested Player Appeal).

From the confines of Williams Electronic Manufacturing came word last week, from the lips of vice prexy Sam Lewis, that the Williams "Music Man" 4-player pinball amusement game was being shipped to distributors. This pingame continues the exceptional ultra modern "Styling of the 60's" cabinet and a host of new scoring features. Prexy Sam Stern and Lewis look forward to a terrific start for this Fall with "Music Man." . . . Along a similar vein, D. Gottlieb & Company introduced Gottlieb's new "Spot-A-Card" pinball amusement game, simply loaded with many attractive scoring features, highlighted by the always successful playing card motif and the "Score to Beat" panel on the backglass, according to Alvin Gottlieb. The "Score to Beat" panel gives the player an opportunity to compete with the game for high score. Nate Gottlieb advises that immediate sales indicate that "Spot-A-Card" will rack up record-breaking sales during the early part of Fall.

Jack C. Gordon, vice-president of the phonograph division of Seeburg Corp. reports that he appointed Albert J. Rosebraugh of Los Angeles to the position of division manager of the West Coast territory. His wide range includes California, Oregon, Washington, Montana, Utah, Idaho, New Mexico, Arizona

SAM STERN

and the brand new spankin' 50th state—Hawaii. . . . United Manufacturing's Herb Oettinger and Bill DeSelm are pushing hard on all of the production facilities for the earliest possible shipping date on the exciting, new "Bowl-A-Rama" big ball bowling alley. Al Thoeke returned from one of his usually interesting business trips to sit right down and start planning a new trek into the hinterlands. Al enjoys wheeling his Mercedes Benz, and always raves about the economy the swank car offers on the road. . . . Bill O'Donnell and Art Garvey mince no words in reporting that Bally Manufacturing experienced a terrific Summer season saleswise. High on the list of achievement has been Bally's "Roller Derby," and it is still racking up an enviable sales record everywhere. Herb Jones is delighted over the fact that all of Bally's amusement games have maintained a steady, high sales index during the summer.

Chicago's huge 34 million dollar lake front exposition center, McCormick Place, is slated to open November 18. The convention paradise covers the length of three city blocks in length and one city block in width, all on one completely unobstructed level. . . . An interesting UPI news item comes to our attention which states that Radio Moscow advised that coin-operated vending machines will be placed in Moscow soon to dispense "two or three types of water." . . . We made a booboo in last week's column. We're certain Marian Robbins (Mrs. Joe Robbins) is somewhat puzzled over the monicker "Shirley" we tagged her with. However, we erred and we bow low for the blunder. Anyway we hope she, Joe and the kiddies are having a wonderful time on their vacation in Connecticut. While they're enjoying their holiday Gil Kitt, owner of Empire Coin, reveals that he and Jack Burns are getting ready for the firm's 19th anniversary, and planning a shindig to celebrate. . . . The recently slimmed down Joel Stern tells us he's feeling great since he shed the excess weight he carried (it should happen to us!). He urges people to follow a standard of weight control to avoid that uncomfortable "full feeling." On the business side Joel infos that at the rate sales are progressing now he feels assured of a very healthy Fall season. Fred Skor tells us export business maintained a fine level the past few months.

A visitor along coinrow last Monday was veteran operator Eddie Holstein, Ace Music Service, who hasn't aged any in years. Eddie's advice is to "keep smilin'." . . . The pace of late is terrific at Atlas Music with the Seeburg "Artist of the Week" program running full speed ahead. Harold Schwartz is anxious to advise Illinois downstate operators that Atlas' representative Bill Phillips, who calls on downstaters as regular as "clock-work," is vacationing and will shortly resume his normal routine. Eddie Ginsburg, Nate Feinstein and Gene Waldman haven't experienced a letup at all this summer, and naturally attribute this pleasant action to the Seeburg "Artist" promotion. . . . When J. H. Keeney vice prexy Paul Huebsch returned to his swamped desk Friday (8/5) he found an old friend, Sammy Weisman of State Sales & Service in Baltimore, waiting to greet him. Sam spent a pleasant weekend in Chi. He and other Baltimoreans are getting quite excited over Paul Richards' Orioles baseball team since their sudden surge in the American League pennant race. Clayton Nemeroff finally took off last Friday for his business trip after several delays.

First Coin's Joe Kline and Sam Kolber hosted visitor Arnold Glass of United Australian Coin Machine Exchange of Sydney, Australia last week. Arnold delighted us with the statement that he's using his Cash Box Chicago Directory List to make his calls here. He finds The Cash Box "very essential to get the necessary coin industry information" he requires from day to day. . . . The situation is normal at Rock-Ola Manufacturing, according to George Hincker. In fact, the only Rock-Olaite on the road this week is sales director Frank Mitchell. Kurt Kluever is vacationing. Back in the office are executive vice prexy Edward Doris, Les Rieck and Jack Barabash, who incidentally slimmed down to the extent that we couldn't recognize him (here we go again!).

. . . Al Warren, sales manager of Auto-Bell Novelty, tells us the action on Auto-Bell's "Super Circus" electronic upright amusement game continues strong during the summer months. . . . Bally Vending's John Stewart reports a high level of business currently. The model "660" single cup coffee brewer is selling so well that he had to greatly increase production on it. Bally Vending will exhibit the firm's line of coffee brewer vendors at the LaTouraine Coffee Co. showings in N'Yawk September 9 and 10. Another showing slated for model "660" will be at the Superior Tea & Coffee conclave in Chicago September 16 and 17. Stewart, Dave Howle, Bob Breither and other representatives will be on hand at both showings.

AMI vice prexy Ed Ratajack finds the days getting shorter and shorter of late, because he gets busier and busier every day. Ed definitely is certain that AMI phonographs will enjoy a banner season come Fall. . . . Mike Detzek scowled this past week about not having gotten his Cash Box on time—naturally he needs it!! Mike is elated over the way his pool game business has held up the past few months, despite the hot weather, which he sez, is definitely not billiard weather. . . . Bill Weikel, sales director for Fischer Sales & Manufacturing, is hard at work laying sales plans for the usually busy Fall season. . . . Marvel Manufacturing's Estelle Bye enplaned with her hubby for a vacation which will start in Phoenix, Arizona. Incidentally Estelle and her spouse are both full fledge pilots and fly their own plane. Prexy Ted Rubey is back in the swing at the plant after a hectic vacation, and infos that "Lucky Horoscope" is still the biggest seller at Marvel. "It is, indeed, a lucky horoscope for us," he quipped.

AMI Sales' Mike Spagnola tells us the first contingent of AMI-Rowe personnel just arrived from the east. Among them was Edward A. Wiler, director of advertising. The entire move and construction project should be completed in a week or so, according to Mike. AMI Sales' service chief, Ray Grier, took off on a vacation which will carry him throughout the eastern part of the country, including Washington, D. C., Virginia and a possible stopover in New York. . . . Edward Ruber, Wico Corp., advised last week that the firm is now delivering a new 100 selection wallbox cover for Seeburg model 3W1 (standard model) wallbox. Also, Wico's 160 page 1961 catalog illustrating several hundred items available to the firm's customers, is slated for delivery by the first week in September. . . . National Coin's Mort Levinson info'd that prexy Joe Schwartz just returned from a delightful holiday in Puerto Rico looking "like a million." Everyone at National is pretty excited about Gottlieb's new "Spot-A-Card" pin game.

### THE OPERATOR'S FAVORITE!

Operators all over the country are acclaiming the magnificent Imperial as among their favorite games.

Its many exclusive features, including Magno Play Control which places magnets under the playing surface to stop or deflect the pucks when time expires or when game is completed, make the Imperial a high earning game with trouble-free operation.

### Wanna Buy A Santa?

NEW YORK—Want a five-foot Santa Claus? Call Bill Stayback, at American Finecraft, over in Saddle River, New Jersey. Stayback has supplied the coin industry with premiums for several years and this season came up with an idea for distributors to use as a gift to their operator accounts.

The Santa stands five feet high, is fireproof, made of plastic, lights up inside and can be used as a decoration in home or office.

To date Mike Munves, Si Redd, Barney Sugerman and Leo Williams have given Bill orders and he expects to sell a boatload before Christmas. If you want one drop Stayback a line. He'll ship it to you within a month.

### Canteen Elects Smith

CHICAGO—Earl E. T. Smith, diplomat and financier, has been elected a Director of Automatic Canteen Company of America, it was announced today by Nathaniel Leverone, Board Chairman.

Smith, who was United States Ambassador to Cuba from 1957 to 1959, has a broad, varied experience in both finance and government service. He is a member of the New York Stock Exchange; a director of Palm Beach Bank & Trust Co.; and a former director of New York Central Railroad; New York Dock Company; New York Dock Trade Facilities Corp.; and Wright Aeronautical Corp.

Smith accompanied Vice President Nixon as a special representative of the United States to Brazil at the inauguration of President Kubitschek. He began his government service in 1941 as Chief of Field Offices, Office of Production Management, serving under Presidential appointment as a \$1-a-year-man. During World War II, he served four years in the U. S. Army and U. S. Air Force, seeing duty overseas for two years and advancing to the rank of Lieutenant Colonel.

### Dan Donohue Retires Ruggiero To L.A. Branch

LOS ANGELES—Dan Donohue, coin machine veteran of many years in the business and manager of The Seeburg factory branch here announced his retirement last week. Donohue was general manager of the firm's sales branch for the past several months.

Replacing Donohue is another vet of many years in the business, Johnny Ruggiero, formerly with R. F. Jones Company, San Francisco, Seeburg distributors, where Ruggiero spent twelve years. He has just completed thirty-two years in the coin machine business.

### Amer. News Buys Crotty

NEW YORK—Henry Garfinkle, President of the American News Company, announced the acquisition of Crotty Bros., Inc., and all of its affiliated corporations. Crotty has contract feeding operations in more than thirty states and is one of the leaders in this industry, handling feeding assignments for large groups such as business organizations, colleges and hospitals.

The Crotty organization, Garfinkle said, blends into the present operations of the American News Company. Francis Crotty and Andrew Crotty, founders of Crotty Bros., Inc., are to continue in the management of the Crotty Bros. Division of the American News Company, in association with the other existing divisions of American News.

No personnel changes whatsoever are being considered in the Crotty Bros. organization.

This acquisition by American News represents an advance by the firm into the food management feeding field, and further progressive steps in this direction are currently being considered. The Union News Company, a wholly-owned subsidiary of American News, in addition to its other enterprises, also operates in this area of food management feeding as well as operating a number of leading restaurants including the Savarin chain and those in major airports.

## Card Motif, Moving Arrows

Gottlieb further stated that the engineers in the plant have added

ALVIN GOTTLIEB

Gottlieb advised in conclusion that sample shipments are already on their way to Gottlieb distributors throughout this country and in foreign markets. Recent pre-testing in many random locations bore out that "Spot-A-Card" is a sure-fire winner for all markets and all amusement game operators, according to Gottlieb. It also has terrific eye-appeal, as it is housed in a beautifully styled, colorfully illustrated cabinet, and is illuminated in dazzling multi-colored light bulbs for lighting on the playfield and backglass.

## CALIFORNIA CLIPPINGS

With vacation time, for the majority of operators and distributors, now over almost everyone seems to be looking to the Fall season, and optimism for business generally seems to be the feeling. . . . Jack Simon, at Simon Distributing, reports the export business looks very promising, following his recent trip to Australia. Jack said they are busy now getting out the orders he wrote on the trip. . . . At Badger Sales, "Rocky" Nesselroad informs the AMI "Continental" phonograph is still setting the sales pace. The last couple of weeks have seen a lot of activity on arcade equipment, according to "Rocky." . . . Hank Tronick, at C. A. Robinson & Co., says samples of William's new 4 player "Music Man" pin ball machine have arrived and are creating a good deal of interest, and feature the "sensational Style of the 60's." William's "Space Glider" is going out as fast as they come in, Hank continued, adding to this the single player "Darts," and the "Official" baseball game and you have an array of games that spells profit to the operator. "Perhaps most people are swimming, boating, and enjoying other summer pleasures," Hank stated, "but they are still bowling, as shown by the solid sales on United's 'Savoy' bowling alley." United's "Sunny" shuffle alley is also enjoying steady sales. Hank went

on to say that United's "UPC" 100 phonograph, both monaural and stereo, is receiving more and more attention from the operators who are discovering its service free operation. Andy Lanzisero, service mgr. at Robinson's, happily commented that he "Hasn't had a single service call on the new phonograph, and this is the first time that anything like this has happened in his long experience in the coin machine business," said Hank. "With all of this wonderful activity at present," Hank commented, "the big news is yet to come." . . . At the Seeburg Distributing Co., John A. "Johnny" Ruggiero has been appointed as the new general manager, following the retirement of Dan Donohue. Johnny has been in the coin machine business for the past 32 years and has spent the last 12 with the R. F. Jones Co. in San Francisco, where he was the sales mgr. Johnny is also well known in the So. Calif. area and has many friends here. He says he feels at home in So. Calif. already. Dean McMurdie reports there was a regional meeting for all distributors at the Hollywood Roosevelt Hotel recently and that Bob Kelly, executive VP of Seeburg, was in town for the meeting. Stewart Auer, sales mgr. of the background music division, Tom Herrick, VP of marketing and advertising, and Al Rosebraugh, West Coast division mgr. of Seeburg, also were in town to attend the meeting. Dean said the meeting concerned itself with the new background music compact unit, and the new "Artist of the Week" phonograph. All of the distributors attended a recording session at Capitol to watch the actual recording of one of the numbers in the background music library. Dean also mentioned that a cocktail party was held at the Roosevelt, following the meeting, and that all the distributors and their personnel attended. Sales on the "Artist of the Week" phonographs have been nothing short of sensational, Dean stated, which is due mainly to the fact that the operators are beginning to understand the need for a single speed industry with the 33 1/3 record. A new demonstration room has been added so that Seeburg equipment can be more effectively shown to the operator. Betty Williams, who will be in charge of Seeburg's new one-stop, informed that this new service for the operator has started off with a bang. Betty was formerly with California Music for 11 years. . . . Kay and Claire Solle, at Leuenhagens' "record bar," on vacation and spending their time keeping busy around the house and doing a little gadding about town. Charlie Domakos stopped by at the "record bar" with Paul Revere to spin his new Gardena waxing. Singing group, The Baysiders, also dropped in with Doris Flack and their current Everest outing. Barbara Chandler and Mary have been kept busy trying to keep pace with the orders, having to do without Kay and Claire on vacation. . . . At American Coin Machine, Bill Lanzy reported that business has been such that they have had to put in some overtime. . . . Ray Barry, at the Wurlitzer factory branch, states that Bob Baer, national sales mgr. for Wurlitzer, was in town for several days from Tonawanda. Joe Hrdlicka, factory service mgr., also in town for a couple of days on business. Ray commented that things are almost back in shape, following the damage done by the automobile that smashed through the front of the building last week. . . . Frank Lamb, of the Jud Novelty Co. in Montebello, recently spent several days fishing in Mexico and said he had exceptional luck. . . . At Paul A. Laymon's, Jimmy Wilkens said that business the past two weeks has been excellent. . . . At California Music, Wayne Tappan, new branch mgr. for Capitol Records, and Herb Whittaker, also from the Capitol sales staff, dropped by to say hello to Sam Ricklin and check sales on several new Capitol items. . . . Some of the visiting operators seen on Pico this week were: Joe Tamulonis, Banning; Bill Molezzo, Porterville; Tex Leerskow, Barstow; Johnny Nelson, L.A.
